

THE COMPASSION DIFFERENCE

Compassion works in partnership
with local churches in 25 developing
countries to release children from
poverty in Jesus' name.

*Our child development program is
unique in that it is:*

CHRIST-CENTRED

Every child has the opportunity to hear and respond to the
gospel in a culturally relevant way.

CHILD-FOCUSED

The program engages each child as an individual, fostering their
spiritual, physical, socio-emotional and economic development.

CHURCH-BASED

Program centres are run exclusively in partnership with local
churches in the children's communities.

WHO IS COMPASSION?

INTRODUCING COMPASSION

Compassion has been serving children living in poverty since 1952 and today is helping to transform the lives of more than 2 million children in need.

Compassion is committed to working in partnership with local churches to foster the long-term development of children living in poverty.

Compassion is deeply committed to child protection. That's why every national office has dedicated Child Protection Specialist staff—and why local program leaders know each child individually, give specialised care as needed, and provide child protection training and support to families.

Approximately 80 per cent of donations made to Compassion Australia are used to cover program costs while the remaining 20 per cent are used for administration and fundraising purposes.

WHAT DOES COMPASSION DO?

Compassion works to transform the lives of individual children and encourage their long-term development. Compassion's holistic approach to child development seeks to release children from spiritual, physical, socio-emotional and economic poverty in Jesus' name.

COMPASSION'S CHILD SPONSORSHIP PROGRAM

For a child, the program works by providing safe places to play and laugh, the chance to see a doctor when they're sick, access to education and the opportunity to discover Jesus' incredible love for them.

By being an active part of a child's life through letter writing, prayer and encouragement, you can play an important role in helping that child discover a hope more powerful than poverty.

You can sponsor a child for \$48 a month. Visit compassion.com.au/sponsor

COMPASSION'S CRITICAL NEEDS

Critical Needs removes obstacles to children's development and provides preventative action in nine different areas of need that are sometimes out of the reach of sponsorship funds.

Critical Needs gives you the option to give directly to address the issues facing children, their families and communities, including projects for Water and Sanitation, Disaster Relief, Income Generation, and many others.

You can support Critical Needs from \$12 a month. Visit compassion.com.au/criticalneeds
