 *Selah*—2 CORINTHIANS 9:15

Thanks be to God for his indescribable gift!

When we think of gifts, we often think of shiny things. What if the greatest gift we could receive was the quiet legacy of generations past?

Scripture shows us the indescribable gift of the arrival of Christ, born into poverty, in a stable, a last-minute option. Christ's birth makes way for the justice of the Kingdom, activated through the birth of a small child—Jesus.

What if our gift to those in our neighbourhood was the focus of our attention to the present moment? Let's share the gift of Christ by being present at the table in this season.

 *How can you describe the gift of Jesus in your life?*

 **Dear God,**

Thank you for the gift of Christ and His redemptive power at work through His birth, death and resurrection. Thanks be to you, God, for your gift at work through generation after generation. Amen.
