Uses

Chamomile is used in Herbal Medicine to help relieve restlessness and nervousness • Helps relieve coughs • Ivy leaf helps clear mucus when coughing.

Warnings

Do not use in children younger than 12 months because of the risk of botulism • if your child is allergic to any ingredients, as well as ingredients in the Asteraceae family, including ragweed.

Stop use and consult a health care practitioner if shortness of breath (dyspnea) or purulent mucus (sputum) occur • if throat pain is very severe or persists for more than 2 days or if cough persists for more than 7 days, tends to recur, or is accompanied by high fever, rash or persistent headaches. These could be signs of a serious condition • if hypersensitivity/allergy occurs.

Keep out of reach of children

Do not exceed recommended daily dose • In case of overdose call a poison control centre or doctor
• Zinc supplementation can cause a copper deficiency. If you are unsure whether you are taking enough copper, consult a health care practitioner prior to use.

Directions

Children (6-12 years): For occasional use. Shake well before use. Take 1 serving (5 mL), 2 times per day (in the evening and before bedtime), with food, a few hours before or after taking other medications or natural health products. Not to exceed 2 servings per 24 hours. Talk with your doctor before use if your child is taking medicine or is under a doctor's care for a medical condition. Take only as directed.

Other information

Store at 15°C to 30°C. Do not use if seal under cap is missing or broken. Reclose cap tightly after each use.

Non-medicinal ingredients

Acacia gum, Citric acid, Concord grape flavour, Maltodextrin, Soapbark extract, Sunflower oil, Water.
