

EXECUTIVE BIO

Adrian Brine

Chief Operating Officer

Adrian is Audata's Chief Operating Officer. Adrian has previously served as a board member and advisor for Audata, and came onboard in a full time executive position in 2021. Before joining Audata, Adrian established a reputation as one Australia's most respected radio programmers with Southern Cross Austereo (ASX: SXL), as both Content Director of Fox FM, Australia's most listened-to radio station, and then as Assistant Head of the Hit Network. Adrian is also currently an MBA candidate.
