

It's the investment that pays off

Help your clients put their resources where they make a difference. Top employers are implementing benefit strategies to deliver the different types of care needed by members, depending on where they are on their Musculoskeletal (MSK) journey to avoid costly back and joint surgeries.

Your one-stop-shop Digital MSK Clinic™

Hinge Health makes it easy to receive the right care at the right time with dedicated programs for every population. Hinge Health is the #1 Digital MSK Clinic™ for employers and health plans because we approach MSK care differently by surrounding members with access to doctors, PTs, health coaches, and technology.
