## BIOGRAPHIES

### EXPO 2020 DUBAI HIGHER COMMITTEE

#### His Highness Sheikh Ahmed bin Saeed Al Maktoum

*President of Dubai Civil Aviation Authority, Chairman and Chief Executive of Emirates Airline and Group, and Chairman of the Expo 2020 Dubai Higher Committee*

Recognised as Dubai's utmost authority on aviation, HH Sheikh Ahmed Bin Saeed Al Maktoum has been at the forefront of the Emirate's remarkable economic development, spearheading the successful expansion of the aviation industry.

His Highness Sheikh Ahmed Bin Saeed Al Maktoum's 30-year-strong game-changing aviation career began in 1985 when he was appointed President of the Dubai Department of Civil Aviation (DCA), overseeing Dubai International and Dubai Duty Free, among others. That same year Emirates Airline was launched, chaired by His Highness. The airline is today a heavyweight worldwide and falls under the Emirates Airline and Group which also includes DNATA, the region's leading travel services and ground handling company. HH Sheikh Ahmed is the group's Chairman and Chief Executive.

His Highness' activities pervade every main entity in the local aviation industry. He is Chairman of the Dubai Civil Aviation Authority (DCAA), Dubai Duty Free, Dubai Airports and Dubai World Central, which will not only be home to the Expo site but also to Al Maktoum, projected to be the world's largest airport. He was also instrumental in the establishment and tremendous growth of FlyDubai, Dubai's first budget carrier that he now chairs.

His Highness holds a number of government positions, including Second Vice-Chairman of the Dubai Executive Council and plays an increasingly pivotal role in leading Dubai's finance and energy sectors. He is also an involved patron of many charitable organisations, such as the Emirates Foundation.

His considerable contributions have been recognised the world over through prestigious awards, including being named *Commandeur de l'Ordre de la Légion d'Honneur*, France's highest civilian award, and Fellow of the Royal Aeronautical Society in the UK, one of the industry's oldest and most respected associations.

HH Sheikh Ahmed has a Bachelor's Degree from the University of Denver, USA, and was presented with an honorary Doctorate of Science from City University London Cass Business School.

#### His Excellency Sheikh Sultan bin Tahnoon Al Nahyan

*Member of Abu Dhabi Executive Council*

His Excellency Sheikh Sultan Bin Tahnoon Al Nahyan chairs the Abu Dhabi Tourism & Culture Authority, which oversees the preservation and protection of the Emirate's heritage assets and leverages them in the development of a world-class, sustainable tourist destination.

HE Sheikh Sultan Al Nahyan's many responsibilities include being a member of the Executive Council in Abu Dhabi, Managing Director of the Emirates Foundation for Youth Development and serving on the board of the Abu Dhabi Environment Agency. He is the Chairman of the Department of Transport in Abu Dhabi, of the Abu Dhabi National Exhibition Centre and of the Al Ain Wildlife Park and Resort. His Excellency is a strong supporter of environmental stewardship and sustainable development, a position that guides and permeates his leadership.

His Excellency's efforts in evolving Abu Dhabi into a global cultural destination have been recognised by the American Federation of Arts, which honoured him with its Cultural Leadership Award, and by the French Republic, which made him *Commandeur de l'Ordre des Arts et des Lettres*.

HE Sheikh Sultan Al Nahyan was instrumental in the establishment of the Cultural District of Saadiyat Island in the Emirate of Abu Dhabi, which upon completion, will be the world's largest concentration of premier cultural institutions, including the Louvre Abu Dhabi, the Zayed National Museum and the Guggenheim Abu Dhabi.

His Excellency holds a Bachelor's Degree in architectural engineering from the UAE University and an MA in International Affairs from The Fletcher School at Tufts University.

#### His Excellency Mohammed Ibrahim Al Shaibani

*Director General of HH The Ruler's Court of Dubai, UAE and Vice Chairman of the Expo 2020 Dubai Higher Committee*

His Excellency Mohammed Ibrahim Al Shaibani is the Director General of His Highness The Dubai Ruler's Court, a prime government body of the Emirate. He is also the CEO and Executive Director of the Investment Corporation of Dubai, the principal investment arm of the government of Dubai. He has tremendous experience as an administrator and corporate leader in areas as diverse as financial services, transportation, real estate, leisure and utilities.

A key figure in the UAE landscape, HE Al Shaibani played a pivotal role in Dubai's debt restructuring in 2009 and holds leading positions in a range of organisations, notably those of Chairman of Dubai Islamic Bank and of Vice Chairman of The Supreme Fiscal Committee of Dubai, which oversees Dubai's general fiscal policies. He is a member of the Dubai Executive Council, an

entity that oversees and supports Dubai's government bodies, and sits on the boards of government-related organisations which include Dubai World and Dubai Aerospace Enterprise (DAE) Limited.

His Excellency's distinguished international career began within the Dubai Ports Authority and Jebel Ali Free Zone where he worked for seven years followed by four years in Singapore, where he acted as Managing Director of Al Khaleej Investments. He was also based in London for eight years in his capacity as President of the Dubai Office, a position he has held since 1998. The Dubai Office is a private management entity for the Ruling Family of Dubai.

HE Al Shaibani graduated in 1988 with a Bachelor's Degree in Computer Science from the United States.

#### Her Excellency Reem Ebrahim Al Hashimy

*UAE Minister of State for International Cooperation, Director General, Expo 2020 Dubai and CEO of Expo City Dubai Authority*

Her Excellency Reem Al Hashimy was sworn in as Minister of State in the Cabinet of the United Arab Emirates in February 2008. She was appointed to her current role as UAE Minister of State for International Cooperation in February 2016.

Her Excellency is additionally responsible for managing the UAE Vice President's Office of Political Affairs.

Her Excellency held the post of Director General of Expo 2020 Dubai, the first World Expo to be held in the Middle East, Africa and South Asia (MEASA) region.

Her Excellency chairs the National Committee on Sustainable Development Goals, which leads the promotion of the Sustainable Development Goals in the

UAE, aligning them with the UAE's national development priorities.

Her Excellency also serves as Chairperson of Dubai Cares, a philanthropic organisation that aims to improve access to education in developing countries.

Prior to her position as Minister of State, Her Excellency served as Commercial Attaché, and subsequently Deputy Chief, of the UAE Embassy to the United States of America in Washington D.C. Her Excellency holds a Bachelor's in International Relations and French from Tufts University, and a Master's from Harvard University.

#### His Excellency Dr Sultan Ahmad Al Jaber

*UAE Special Envoy for Climate Change, Minister of Industry and Advanced Technology, Group Managing Director & CEO of ADNOC, and Chairman of Masdar*

With over two decades of experience working at the nexus of government, diplomacy, energy and industry, in his position as Special Envoy for Climate Change, Dr Al Jaber is leveraging his broad network to act as a pragmatic, consensus building convenor for progressive climate action, practical energy transition and sustainable economic development.

Dr Al Jaber has twice been appointed the UAE's Special Envoy for Climate Change (previously holding the position from 2010 to 2016) and is currently the Minister of Industry and Advanced Technology (MoIAT) supporting the UAE's economic growth and diversification across energy, industry and business.

Dr Al Jaber spearheaded the launch and establishment of Masdar in 2006 and served as its CEO, contributing to the UAE's continued emergence as a clean energy powerhouse, expanding the country's renewable energy

portfolio by 400 per cent since 2006, with Masdar providing more than 23GW in over 40 countries.

According to the Green Fuel Index Report, the UAE recorded the world's largest increase in renewable energy capacity over the last ten years. Today, the UAE operates three of the largest and lowest-cost solar projects in the world.

Dr Al Jaber guided the UAE's effort to be the permanent host country for the International Renewable Energy Agency (IRENA), the world's preeminent multilateral body for advancing knowledge and capacity in renewable energy.

Dr Al Jaber has been at the forefront of developing an energy transition that is realistic, pragmatic and focused on addressing the trilemma of secure, sustainable and affordable energy for all.

Through early investment in climate change mitigation technologies and a focused strategy of enhancing carbon efficiency, Dr Al Jaber oversaw ADNOC's transition to become a more efficient and sustainable energy producer. ADNOC ranks among the industry's lowest greenhouse gas emitters, has one of the world's lowest methane intensities, and is rapidly expanding its first-in-the-region carbon capture, utilisation and storage programme. In addition, ADNOC sources 100 per cent of its grid power from zero-carbon solar and nuclear energy.

### **His Excellency Lieutenant General Abdullah Khalifa Al Marri**

*Commander-in-Chief of Dubai Police*

His Excellency Lieutenant General Abdullah Khalifa Al Marri, the Commander-in-chief of Dubai Police, has served in Dubai Police since 1991. He earned a Bachelor's Degree that year in sociology from the UAE University College of Media and Communications. Moreover, HE Al Marri earned a diploma in police science from Dubai Police Academy and a diploma from the FBI Academy at the University of Virginia, U.S.

HE Al Marri has been described by His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, as "an outstanding character in terms of leadership and rich expertise in the field of security, and a valuable addition to the nation's security leaders".

His Excellency has received several accolades, badges of appreciation, and medals of honour for his bravery and outstanding performance. He was a member of the Dubai Events Security Committee and served as coordinator general of Dubai Events, along with other security and police assignments.

Driven by a great sense of security and professionalism and a passion for innovation, HE Al Marri has always sought to utilise the latest security measures and technologies, including AI-based solutions, in policing work to ensure the highest levels of safety, security and happiness of the community.
