

RSG-RDB SERIES

Document Box

A code-compliant, lockable cabinet for storing system records, as-built drawings, and key contact information at the point of installation.

The RSG Document Box provides secure on-site storage for the documents required by NFPA 13 and NFPA 72. Built from 18-gauge cold-rolled steel with a red or black powder coat, it holds standard 8½" x 11" manuals, binders, and as-built drawings behind a custom-keyed cam lock — with optional 8 GB flash memory (USB-C / Micro-USB) for electronic records.

Available in red or black powder coat —
custom colors upon request
