Kyoto, Japan – [HOTEL THE MITSUI KYOTO](#) is pleased to unveil an exclusive collection of spa treatments featuring products from **MIKIMOTO BEAUTY**, a new skincare line by Mikimoto Pharmaceutical Co., Ltd. Debuting only at HOTEL THE MITSUI KYOTO, the treatments will be available to book starting **October 1, 2026**, coinciding with the official launch of the new skincare line.

Combining the advanced skincare research of Mikimoto Pharmaceutical and MIKIMOTO, the world-renowned luxury jeweler celebrated for pioneering the cultured pearl, MIKIMOTO BEAUTY represents a new chapter in luxury skincare. In collaboration with the brand, HOTEL THE MITSUI KYOTO, whose THERMAL SPRING SPA has been awarded a Five-Star rating by Forbes Travel Guide, has developed a collection of exclusive spa experiences designed to offer a truly restorative experience.

Before each treatment, guests are invited to unwind in the hotel's Thermal Spring, supplied by natural hot spring water sourced from beneath the property. The treatments then provide a deeply relaxing experience that leave the skin beautifully hydrated, refined and softly luminous, with a radiance reminiscent of a pearl.

Bringing together 130 years of pearl expertise, exceptional skincare products and HOTEL THE MITSUI KYOTO's philosophy of "Embracing Japan's Beauty," these treatments offer a one-of-a-kind wellness experience available only at the hotel.
