

A large, modern aluminum pergola with a water-tight louvered roof is shown at dusk. The roof is illuminated from within, creating a warm glow. Inside the pergola, a group of people are gathered around a stone fireplace, which is also lit. The pergola is surrounded by tall grasses and other plants. The background shows a dark sky with a crescent moon and some trees.

The Ambiance Kit

For a modern look in smaller spaces, the Ambiance Kit Pergola is available with the same louver system technology as the Ambiance Elite.

Offered in two ready-to-install sizes (10'x10' and 10'x12'), the Ambiance Kit Pergola comes in sophisticated umbra gray with white louvers. Its compact design features 4"x4" posts and beams, making it ideal for intimate spaces.

Every Ambiance Kit includes motorized louvers as standard, with optional enhancements available:

- LED lighting package
- Manual side screen

The streamlined frame dimensions and pre-configured options make the Ambiance Kit perfect for those seeking elegant shade solutions in smaller outdoor areas.
