First Fisker Ocean Sport delivered to customer in UK at the Fisker Lounge London
LOS ANGELES/MUNICH (Dec 27, 2023) – Fisker Inc. (NYSE: FSR) (“Fisker”), driven by a mission to create the world’s most emotional and sustainable electric vehicles, today announced the first customer hand-over of a Fisker Ocean Sport electric SUV at the Fisker Lounge London location in the Westfield London mall.

“We are thrilled to deliver the Fisker Ocean Sport to its first customer this year. We are offering an outstanding, affordable vehicle that showcases the design, innovation, and sustainability that are Fisker’s core brand values. The Ocean Sport brings the excitement of electric driving to customers while also making it accessible and versatile,” Chairman and CEO Henrik Fisker said.

The Ocean Sport is Fisker’s gateway to the world of sustainable electric mobility. Powered by a single-motor, front-wheel-drive all-electric powertrain and Touring Range battery, the Ocean Sport delivers affordability, 275 hp of performance, and an outstanding range of up to 288 miles (UK) / 464 km WLTP1 and 231 miles EPA in US2.

Drivers can enjoy their Ocean Sport in Fun Mode for driving excitement, and Earth Mode for range-maximizing efficiency. The Sport comes equipped with a 17.1” Central Touchscreen, Digital Rear View Mirror, and 20” F7 AeroStealth wheels. Safety features include Automatic Emergency Braking–Premium and a robust Fisker Intelligent Pilot system (Advanced Driver Assist System - ADAS) that includes the world's first digital radar available in a consumer vehicle. The BigSky panoramic fixed glass roof creates a roomier-feeling cabin with an expansive view of the sky, and the Rear Power Liftgate makes loading shopping or luggage into the trunk effortless and simple.

Customers can see local pricing, browse features, and configure and order the Fisker Ocean all-electric SUV at fiskerinc.com.

1 This WLTP range number applies to Fisker’s UK and European markets. WLTP measurements conducted with standard 20” wheels. Actual range will vary with conditions such as external environment, vehicle configuration, wheel size and vehicle use.

2 EPA estimated range. Mid-size SUVs. Measurements conducted with standard 20” wheels. Actual results may vary for many reasons, including driving conditions, wheel size, state of battery charge, and how the vehicle is driven and maintained.

Forward-Looking Statements
This press release includes forward-looking statements, which are subject to the “safe harbor” provisions of the US Private Securities Litigation Reform Act of 1995. These statements may be identified by words such as “feel,” “believes,” “expects,” “estimates,” “projects,” “intends,” “should,” “is to be,” or the negative of such terms, or other comparable terminology and include, among other things, the quotation of our CEO, the statements regarding the planned launch timing, pricing, delivery, production, and estimated range of the Fisker Ocean, the planned timing of the opening of Fisker facilities, the Company’s future performance, expansion of operations, software updates, and other future events that involve risks and uncertainties. Such forward-looking statements are not guarantees of
future performance and are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein due to many factors, including, but not limited to: Fisker’s limited operating history; Fisker’s ability to enter into additional manufacturing and other contracts with Magna or tier-one suppliers in order to execute on its business plan; the risk that OEM and supply partners do not meet agreed-upon timelines or experience capacity constraints; Fisker may experience significant delays in the design, manufacture, regulatory approval, launch and financing of its vehicles; Fisker’s ability to execute its business model, including market acceptance of its planned products and services; Fisker’s inability to retain key personnel and to hire additional personnel; competition in the electric vehicle market; Fisker’s inability to develop a sales distribution network; and the ability to protect its intellectual property rights; and those factors discussed in Fisker’s Annual Report on Form 10-K, under the heading “Risk Factors”, filed with the Securities and Exchange Commission (the “SEC”), as supplemented by Quarterly Reports on Form 10-Q, and other reports and documents Fisker files from time to time with the SEC. Any forward-looking statements speak only as of the date on which they are made, and Fisker undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date of this press release.
