

FOR IMMEDIATE RELEASE

## **FISKER SIGNS NEW DEALER PARTNER IN MIAMI AND ADDS NEW DEALER PARTNERS IN EUROPE**

- Fisker has signed Fisker Miami to its growing roster of dealer partners in the US.
- Fisker Miami is Fisker's second dealer partner in Florida, following Fisker Jacksonville.
- Fisker has now signed six US dealer partners and has six dealer partner locations open for business.
- Fisker has also added new European dealer partners in Austria and Denmark, bringing to 12 the total number of partners signed in the region.

The Fisker Ocean all-electric SUV.

LOS ANGELES (April 15, 2024) – [Fisker Inc.](#) ("Fisker"), driven by a mission to create the world's most emotional and sustainable electric vehicles, today announced that the company has signed Fisker Miami as a dealer partner, the company's second in Florida after Fisker Jacksonville joined the Dealer Partnership program earlier this year.

**Quote from Fisker spokesperson:** "Florida is an important EV market for Fisker, so we are excited that we can welcome Fisker Miami to our growing group of dealer partners."

Fisker now has six dealer partner locations in the US. The company announced a strategic shift to the Dealer Partnership model in January 2024.

In addition to the new US dealer partner, Fisker has signed dealer partners in Hilleord, Denmark, and Innsbruck, Austria, bringing its European total to 12 dealer partners. The company previously signed dealer partners in Austria, France, Germany, Norway, and Switzerland.

### **Price Reductions**

On March 27, Fisker announced reductions in the Manufacturer's Suggested Retail Price (MSRP) on many model year 2023 Fisker Oceans in the US. Fisker lowered the MSRP of the 2023 Ocean Extreme trim by \$24,000, to \$37,499 from \$61,499 MSRP.<sup>1</sup>

In addition, the 2023 Ultra trim was priced at \$34,999 MSRP, reduced from the prior \$52,999; and the 2023 Sport was priced at \$24,999 MSRP, reduced from the prior \$38,999.<sup>1</sup> MSRP reductions on 2023 model year vehicles went into effect Friday, March 29, 2024, and Fisker has announced similar reductions in Canada and Europe.

### **The Fisker Ocean SUV**

The Ocean Extreme has an EPA-estimated range of 360 miles<sup>2</sup>, the longest range of any new electric SUV in its segment sold in the United States today<sup>3</sup> and a WLTP range of 439 miles / 707 km<sup>4</sup>, the longest range of any electric SUV in its segment on the European market today.<sup>5</sup> The Fisker Ocean Extreme has the lowest published carbon footprint of any electric SUV<sup>6</sup>, uses over 110 lbs. / 50 kg. of recycled and bio-based materials, is built at a carbon-neutral facility, and integrates rooftop solar panels, adding up to 1,500 miles/2400 km per year of range.<sup>7</sup>

<sup>1</sup>Estimated pricing shown applies to the continental US and excludes delivery, finance, tax, title, registration, and other government fees. Maintenance is not included. Pricing is subject to change and will be based on your final vehicle configuration. Pricing does not include any government incentives to which you may be entitled. Offer limited to 2023 model year vehicles currently in stock and is available from March 29, 2024 until all 2023 model year inventory is sold. Cannot be combined with any other offers.

<sup>2</sup>EPA estimated range. Measurements conducted with standard 20" wheels. Actual results may vary for many reasons, including driving conditions, wheel size, state of battery charge, and how the vehicle is driven and maintained.

<sup>3</sup> Mid-size SUVs in comparable price segment.

<sup>4</sup> This WLTP range number applies to Fisker's European markets. WLTP measurements conducted with standard 20" wheels. Actual range will vary with conditions such as external environment, vehicle configuration, wheel size and vehicle use.

<sup>5</sup> D-Segment Vehicles, as classified by GlobalData.

<sup>6</sup> Based on date of 2023 Fisker Ocean LCA publication and public information available at that time.

<sup>7</sup> Based on Fisker simulations. Ideal conditions assume solar irradiation of 5.4 kWh/m<sup>2</sup>/day and steady commuter driving. Actual results vary with conditions such as external environment and vehicle use.

#### Forward-Looking Statements

This press release includes forward-looking statements, which are subject to the "safe harbor" provisions of the US Private Securities Litigation Reform Act of 1995. These statements may be identified by words such as "feel," "believes," "expects," "estimates," "projects," "intends," "should," "is to be," or the negative of such terms, or other comparable terminology and include, among other things, the quote from our chief executive officer, statements regarding any potential future automotive original equipment manufacturer (or equipment or part manufacturer) transactions and other future events that involve risks and uncertainties. Such forward-looking statements are not guarantees of future performance or future events and are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein due to many factors, including, but not limited to: Fisker's limited operating history; Fisker's ability to continue as a going concern; Fisker's ability to enter into additional manufacturing and other contracts with Magna, OEMs, or tier-one suppliers in order to execute on its business plan; the risk that OEM and supply partners do not meet agreed-upon timelines or experience capacity constraints; Fisker may experience significant delays in the design, manufacture, regulatory approval, launch and financing of its vehicles; Fisker's ability to execute its business model, including market acceptance of its planned products and services; Fisker's inability to retain key personnel and to hire additional personnel; competition in the electric vehicle market; Fisker's inability to develop a sales distribution or dealership network; and the ability to protect its intellectual property rights; and those factors discussed in Fisker's Annual Report on Form 10-K, under the heading "Risk Factors", filed with the Securities and Exchange Commission (the "SEC"), as supplemented by Quarterly Reports on Form 10-Q, and other reports and documents Fisker files from time to time with the SEC. Any forward-looking statements speak only as of the date on which they are made, and Fisker undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date of this press release.
