For the avoidance of doubt, breach of the terms of the License or of a Third-Party License shall be considered a material breach under this Agreement.

Licensor may terminate this Agreement at any time with immediate effect by giving notice in writing to the Licensee if Licensee is acquired by a Competitor of Licensor, whereas for the purposes of this clause acquiring shall mean that (i) the Competitor holds more than 33% of the voting rights or of the shares (or similar rights) in Licensee or (ii) the Competitor and Licensee merge, or (iii) the Competitor acquires ownership in all or a substantial part of Licensee's business.

- 7.4. **Survival:** This confidentiality clause survives the expiry or termination of this Agreement for an additional period of five years. In respect of the source code (except for OSS), the clause remains in force until the entire source code has become publicly available without an act or omission on the side of Licensee that contributed to the source code becoming publicly available.

8. MISCELLANEOUS

8.2. **Severability:** The invalidity or unenforceability of individual parts of this Agreement shall have no impact on the validity of the Agreement as a whole. The parties agree that if any provision or part of a provision of this Agreement shall under any circumstances be invalid, inoperative or otherwise not enforceable, the Agreement as a whole shall remain valid and the invalid, inoperative or unenforceable provision or part of a provision shall be deemed replaced by a provision which corresponds to the widest extent possible to the invalid or inoperative, unenforceable provision or part of a provision without being invalid or inoperative itself.

8.3. **Governing law:** This Agreement shall in all respects be governed by, and construed and interpreted in accordance with, the laws of Switzerland, excluding its conflict of laws rules and excluding the UN Convention for the International Sale of Goods. The parties submit to the exclusive jurisdiction of the competent courts in the City of Zurich, Switzerland, for all disputes arising out of, or in connection with, this Agreement.
