2. Generally

2.1 Offerings.

(a) Subscriptions (other than Licensed Software). Customer may access and use the Subscriptions during the Subscription Term only for its internal business purposes in accordance with the Documentation, Usage Limitations, and the Agreement. Unless otherwise specified by Trimble, any Licensed Software provided with a Subscription is subject to the terms applicable to Licensed Software under the Agreement.

(b) Licensed Software. Trimble hereby grants Customer a non-transferable, non-sublicensable, non-exclusive license, during Term, to install, copy, and use the Licensed Software on systems or devices under Customer's control only for its internal business purposes in accordance with the Documentation, Usage Limitations, and the Agreement. Licensed Software is licensed, not sold. Any Licensed Software deployed through hosting services delivered by Trimble are subject to the terms and conditions applicable to Licensed Software.

2.2 Authorized Users. Only Authorized Users may access or use the Offerings. User IDs are granted to individual, named persons, and each Authorized User will keep login credentials confidential and not share them with anyone else. Customer is responsible for its Authorized Users' compliance with the Agreement and actions taken through their accounts. In the event an Authorized User is no longer authorized to use an Offering on Customer's behalf, Customer will promptly de-activate such Authorized User's access. Unless expressly permitted in the Order, Supplemental Terms, or Documentation, Customer may not transfer Authorized User status from one individual to another. Customer will promptly notify Trimble if it becomes aware that any of its Authorized User login credentials have been compromised.

2.3. Restrictions. Customer will not (and will not permit, encourage, or assist anyone else to) do any of the following: (a) provide access to, distribute, sell, or sublicense the Offerings to a third party; (b) use the Offerings on behalf of, or to provide any product or service outside of Customer's regular course of business, to, third parties; (c) use the Offerings to develop a similar or competing product or service; (d) reverse engineer, decompile, disassemble, or seek to access the source code or non-public APIs to any element of the Offerings, except to the extent expressly permitted by Law (and then only after providing prior written notice to Trimble); (e) modify or create derivative works of the Offerings or copy any element of the Offerings (other than in connection with making copies of Licensed Software authorized under the Agreement); (f) remove or obscure any proprietary notices in the Offerings; (g) publish benchmarks or performance information about the Offerings, except to the extent expressly permitted by Law; (h) interfere with the Offerings' operation or its use by others, circumvent its access restrictions or, without the prior written permission of Trimble, conduct any security or vulnerability test of the Offerings; (i) transmit any viruses or other harmful materials to the Offerings; (j) submit to the Offerings any information that is inappropriate, defamatory, obscene, salacious, or unlawful, or use the Offerings to defame, harass, stalk, threaten, or otherwise violate the rights of others; (k) use the Offerings to advertise, offer to sell or buy goods, or otherwise for business promotional purposes; (l) for Licensed Software, unless expressly permitted in the Order, Supplemental Terms, or the Documentation, use or host any Licensed Software in a virtual server environment, or (m) for Corrections Services, re-broadcast the Corrections Services without the prior written consent of Trimble.

2.4 Free Versions; Trials and Betas. "**Free Versions**" means any Offerings made available to Customer for use without a fee. "**Trials and Betas**" means any Offerings or any features thereof made available on an evaluation or trial basis or as an alpha, beta, Labs or other early access offering, in any case free or otherwise. Unless otherwise set forth in the Documentation or the Agreement, Customer may only use Free Versions in a non-production environment and for non-commercial purposes, and Trials and Betas may only be used solely for Customer's internal evaluation to determine whether to purchase a license or subscription to the Offerings. The evaluation term for Trials and Betas shall be 30 days unless otherwise designated by Trimble in writing. Free Versions and Trials and Betas are optional, and Trimble may cease making available such Offerings at any time for any reason. Trials and Betas may be inoperable, incomplete, or include features that Trimble may never release, and their features and performance information are Trimble's Confidential Information. In the event Customer has purchased Services related to any Free Version or Trial and Beta, any unused Services upon any termination or expiration of the applicable term for the Free Version or Trial and Beta shall be forfeit. **Notwithstanding anything else in the Agreement: (a) Trimble has no obligation to retain Customer Data used with Free Versions and Trials and Betas; (b) Trimble provides the Free Versions and Trial and Betas "AS-IS" with no warranty, indemnity, service levels, or support; (c) Trimble's liability for Free Versions and Trials and Betas will not exceed US\$50, and (d) either party may terminate access to a Free Version or Trial and Beta, for any reason or no reason, immediately upon written notice to the other party.**

2.5 Educational Versions. For any version of the Offerings designated as "educational," or a similar term, Customer may use the Offerings solely for educational purposes - e.g., by an instructor or a student at an educational institution and while engaged in educational work. Such educational versions may not be used (a) by any other person; (b) by any educational institution for any non-educational purposes; or (c) for any for-profit purpose, including professional work or training offered for a fee, or by commercial entities.

2.6 Delivery. Offerings and License Keys, if any, will be delivered by electronic means unless otherwise specified on the applicable Order. Delivery is deemed to occur on the date on which the Offering and License Key, if any, are first made available to Customer.

2.7 Software Activation and Metering; Audits.

- (a) Offerings may gather and transmit to Trimble license usage, compliance, and activation data. Customer will not disable, modify, or interfere with the operation of any such functionality of the Offerings. Trimble may use the foregoing information to validate the authenticity of Authorized Users, to confirm Customer's compliance with the Agreement, to register the Offerings, to monitor and validate compliance with Usage Limitations, for license metering, and to protect Trimble against unlicensed or illegal use of the Offerings.
- (b) Upon Trimble's written request, Customer shall certify in writing that its use of the Offerings is in full compliance with the Agreement (including any Usage Limitations). In addition to the other license compliance monitoring rights in the Agreement, Trimble, or its authorized representative, may, upon prior reasonable notice of at least ten (10) days, inspect and audit Customer's records and use of the Offerings to confirm Customer's compliance with the Agreement. All such inspections and audits will be conducted during regular business hours and in a manner that does not unreasonably interfere with Customer's business activities. Customer is responsible for such audit costs only in the event the audit reveals that the use is not in accordance with the Usage Limitations or other licensed scope of use and for unpaid fees. Customer shall promptly pay all unpaid fees.

3. Data Usage and Ownership.

3.1 Ownership. Except for Trimble's limited rights set forth in the Agreement, as between the parties, Customer retains all Intellectual Property Rights in Customer Data. Trimble owns all Intellectual Property Rights in Anonymized Data and Usage Data.

3.2. Limited Usage Rights. Customer hereby grants to Trimble and its Affiliates the non-exclusive, worldwide, irrevocable, royalty-free right: (i) to use Customer Data during the Term to provide the Offerings, Support, and Services to Customer; (ii) to create Anonymized Data; (iii) to use and disclose Customer Data as otherwise permitted pursuant to the Agreement or any written consent or instructions of Customer; and, (iv) subject to Trimble's confidentiality obligations in Section 9 (Confidentiality) of the General Terms and all applicable Data Protection Legislation, to use Customer Data in

perpetuity to develop, maintain, and improve the products, software, and services of Trimble or its Affiliates, including, without limitation, analytics, model training, and machine learning.

3.3 Access. Customer will not have access to Customer Data after termination or expiration of the Term, unless otherwise indicated in the Order, Supplemental Terms, or the Documentation, or the parties agree otherwise in writing.

3.4 Confidentiality. In the event of any conflict between the terms of Section 9 (Confidentiality) of the General Terms and this Section 3 (Data Usage and Ownership), the terms of this Section 3 (Data Usage and Ownership) will control.

4. Customer Obligations.

4.1 Dependencies and Compatibilities. If Customer enables Dependencies or Compatibilities with an Offering, Trimble may access and exchange Customer Data with the Dependencies or Compatibilities on Customer's behalf. Trimble will have no liability or obligations under the Agreement with respect to how any Dependencies or Compatibilities uses or processes Customer Data. If Trimble hosts any Dependency or Compatibilities at Customer's request, Customer represents and warrants to Trimble that Customer has all rights necessary. Trimble may charge additional fees for such hosting services.

4.2 No Prohibited Data. Customer will not use the Offerings with Prohibited Data. Customer acknowledges that the Offerings are not intended to meet any legal obligations for these uses, including HIPAA requirements, and that Trimble is not a Business Associate as defined under HIPAA.

4.3 Customer Data. Customer is responsible for its Customer Data, including its content, accuracy, and compliance with Laws. Customer represents and warrants that it has made all disclosures and has all rights, consents, and permissions necessary to use its Customer Data with the Offerings and grant Trimble the rights in Section 3 (Data Use and Ownership), all without violating or infringing Laws, third-party rights (including intellectual property, publicity, or privacy rights), or any terms or privacy policies that apply to its Customer Data. If Customer utilizes data fields available in the Offerings to store data not required for the normal use and operation of the Offerings for their intended purpose, Customer agrees that Trimble is not responsible for, and will not be liable in any manner for such data, and Customer assumes all risks associated with, and agrees to hold Trimble harmless from and against any and all claims, losses, damages, liabilities, and expenses (including reasonable attorneys' fees) related to or arising from, Customer's use of data fields to store such data.

4.4 Excluded Claims. In addition to the Excluded Claims stated Section 7 (Limitation of Liability) in the General Terms, the following shall also be Excluded Claims for purposes of the Agreement: Section 10 (Indemnification) of these Software Terms and any breaches of Sections 2.3 (Restrictions) or Section 4 (Customer Obligations) of these Software Terms.

4.5 License Compliance. Customer shall promptly notify Trimble if Customer become aware of (i) any breach of confidentiality obligations regarding the Offerings, or (ii) any infringement (whether actual or alleged) of Trimble's intellectual property rights in the Offerings, or (iii) any unauthorized use of the Offerings by any person, and provide reasonable assistance to Trimble in connection with any suit or proceeding relating to such events.

4.6 Usage Limitations. Customer will comply with all Usage Limitations. If Customer exceeds the Usage Limitations during the Term, Trimble may invoice Customer for the use that exceeded the applicable Usage Limitations at Trimble's then-current list price, and Customer shall pay in accordance with the Agreement. The parties may also agree on a Usage Limitation adjustment, in which case Customer must sign a new Order and pay the applicable fees.

4.7 Fee Criteria. If the Order states Software is made available based on GAR, Project Budget, Total Project Value, population, specific-department usage, Affiliate-limitations, or similar criteria (any such criteria, the "**Fee Criteria**"), the fees for that Software are calculated based on that Fee Criteria as of the date of Order issuance by Trimble. Unless otherwise provided the Order, if the Fee Criteria increases by more than 10% during the Subscription Term, (i) Customer shall promptly notify Trimble in writing, (ii) Trimble has the right to adjust such fees based on changes in the Fee Criteria and its then-current list price for that Software (including on a prorated basis for the current term), and (iii) Customer shall pay any applicable additional fees upon receipt of the invoice in accordance with the Agreement. At the request of Trimble, Customer will promptly provide documentation satisfactory to Trimble evidencing Customer's then-applicable Fee Criteria.

5. Suspension of Access. Trimble may suspend Customer's access to an Offering, without liability, and in whole or in part, if (a) Customer breaches any Usage Limitations, Sections 2.2 (Authorized Users), 2.3 (Restrictions), 4 (Customer Obligations) or 6.2 (Offering Content); (b) Customer's account is five (5) business days or more overdue; or (c) immediately if Customer or any of its Authorized Users' acts or omissions threaten the integrity, availability, or security of the Offerings or Trimble's systems, products, or infrastructure (provided Trimble will use commercially reasonable efforts to provide Customer with advance notice of such suspension where Trimble determines exigent circumstances do not exist). Trimble will lift such suspension once the related issue or failure is cured to Trimble's reasonable satisfaction. Fees will continue to apply during the suspension period. Customer may be prohibited from entering new Customer Data or processing or accessing existing Customer Data and data reports during the suspension period. If Customer attempts to access or manipulate Customer Data utilizing third-party software during suspension, Trimble disclaims and Customer holds Trimble harmless from any responsibility or liability relating to lost or altered Customer Data or related damages.

6. Certain Features. The following provisions apply to the extent applicable to the Offerings.

6.1 Third-Party Materials. The Offerings may provide Customer with access to Third-Party Materials. Third-Party Materials are not part of the Offerings. To the extent specified by Trimble (including in any Supplemental Terms or Documentation), use of the Third-Party Materials may be subject to additional terms or restrictions ("**Third-Party Terms**"). Customer is solely responsible for its compliance with any Third-Party Terms, and failure to comply with such terms may result in termination of Customer's right to access any features of the Offerings that utilize such Third-Party Materials. If no Third-Party Terms are specified, Customer may use Third-Party Materials solely in support of Customer's authorized use of the Offerings in accordance with the Agreement.

6.2 Offering Content. "**Offering Content**" shall be any Trimble IP or Third-Party Materials made available as data or information through the Offering, whether included as part of the Offering or as a separate subscription. Any Offering Content that is Trimble IP will be deemed part of the Offering. Any Offering Content that is Third-Party Materials shall be subject to any applicable Third-Party Terms. If no Third-Party Terms apply, then unless otherwise authorized by Trimble in writing or the applicable Documentation, such Third-Party Materials, and any derivative thereof, may only be used or accessed by an Authorized User. Third-Party Materials will be used solely for Customer's internal purposes during the Term and must be accessed pursuant to a manual Authorized User request. Customer will not: (i) access, extract, or download any Third-Party Materials, or portions thereof, in batch or en masse by any means; (ii) use any device, software, or routine to bypass any hardware or software that prohibits volume

requests for information; (iii) sell, offer to sell, rent, sublicense, or transfer any copies of the Third-Party Materials, or portions thereof, to a third party or allow a third party to use the Third-Party Materials; (iv) use the Third-Party Materials to develop services or products for sale or include any portion of the Third-Party Materials in any product or service; (v) use any portion of the Third-Party Materials to create a competitive service, product, or technology; (vi) recreate the Third-Party Materials or create otherwise a separate database or other repository of Third-Party Materials; (vii) use Third-Party Materials to train, augment, or correct another database or information repository; (viii) unless otherwise specified in the Documentation, permit any individual other than an Authorized User to access or use the Offering Content and any derivative thereof, or (ix) make any portion of the Third-Party Materials available to the public in any manner. Upon notice from Trimble and/or any termination or expiration of the Term, Customer will immediately cease using and delete/destroy all electronic and physical copies of Third-Party Materials.

6.3 Open Source. The Offerings may incorporate third-party open source software ("**Open Source**"), as listed in the Documentation or otherwise made available by Trimble. To the extent the terms of the Open Source license prohibit the terms of the Agreement from applying to the Open Source, the terms of the Open Source license will apply to the Open Source on a stand-alone basis instead of the Agreement.

6.4 Third-Party Application Stores.

(a) Purchase from Application Store. If Customer obtains the Offering (or portions thereof) through a third-party application store, marketplace, or other site or service (each, an "**Application Store**"), such Application Store is considered a reseller. All fees are non-refundable once paid. Customer's download of the Offering may be subject to other terms as specified by the operator of the Application Store from which Customer downloaded the Offering.

(b) Apple-Specific Terms. If Customer downloaded the Offering from Apple Inc.'s ("**Apple**") Application Store, the following terms are part of the Agreement. The Agreement is between Customer and Trimble, and not with Apple. However, as required by Apple, Apple and its subsidiaries will be third-party beneficiaries of the Agreement and will have the right (and will be deemed to have accepted the right) to enforce the Agreement against Customer as a third-party beneficiary. To the maximum extent permitted by Law, Apple will have no warranty obligation with respect to the Offering, and, as between Apple and Trimble, any other claims, losses, liabilities, damages, costs, or expenses attributable to a failure to conform to a warranty will be Trimble's responsibility. Apple has no obligation whatsoever to furnish any maintenance or support services with respect to the Offering. As between Trimble and Apple, Trimble is solely responsible for the Offering and for addressing any claims Customer or any third parties have about the Offering or Customer's possession or use of the Offering, including without limitation (i) product liability claims; (ii) any claim that the Offering fails to conform to any applicable legal or regulatory requirement; and (iii) claims arising under consumer protection or similar legislation. In the event of any third-party claim that the Offering or Customer's possession or use of the Offering infringes that third party's intellectual property rights, Apple will not be responsible for the investigation, defense, settlement, or discharge of such claim.

6.5 Security for SaaS or Hosting Services for Licensed Software. This Section 6.5 (Security for SaaS or Hosting Services for Licensed Software) applies to Offerings that are SaaS or hosting services for Licensed Software. During the Term, Trimble or its third party hosting provider(s) will use commercially reasonable efforts to establish and maintain reasonable administrative, physical, and technical safeguards designed to protect (a) the security, confidentiality, and integrity of Customer Data; (b) against anticipated threats or hazards to the security, confidentiality, and integrity of Customer Data; (c) against unauthorized access to or use of Customer Data; and (d) against unlawful processing, accidental destruction, or loss of Customer Data. In the event Trimble is not in breach of the foregoing obligations and an unauthorized third party nonetheless gains access to the Customer Data, such disclosure of Customer Data in such circumstances shall not be a breach of Section 9 (Confidentiality) of the General Terms. In the event of any conflict between the terms of Section 9 (Confidentiality) of the General Terms and this Section 6.5 (Security for SaaS or Hosting Services for Licensed Software), the terms of this Section 6.5 (Security for SaaS or Hosting Services for Licensed Software) will control.

6.6 Third-Party Access.

(a) Generally. Customer authorizes Trimble to grant access to its instances of the Offerings and share Customer Data with any third-party Authorized Users or as otherwise instructed by Customer. Customer is solely responsible for such third-parties' compliance with the Agreement and for any and all acts or omissions of any such third parties. Such third parties are considered Representatives, as that term is defined and used in Section 9 (Confidentiality) of the General Transaction Terms. Such third parties are not intended third-party beneficiaries under the Agreement. Trimble shall have no liability for any act or omission of any such third party, including by way of access or use of the Offerings or Customer Data. Such third-party access or use of the Offerings must be solely and exclusively for the benefit of Customer (or its Affiliates, if applicable), and any other purpose is prohibited. For clarity, as between Customer and any such third parties, any data or other information uploaded by such third party to the Offerings on Customer's behalf will be deemed Customer Data of Customer.

(b) Customer as a Third-Party. In the event that Customer is invited to access an Offering as a third party, any data or other information uploaded by Customer on behalf of such third party shall be deemed "Customer Data" of such third party.

7. Support. If Customer is eligible for Support and pays any applicable fees, Trimble will make such Support available in accordance with the Support Terms or as Trimble may otherwise expressly provide in writing. Unless otherwise set forth in writing by Trimble, Support is not available for Free Versions or Trials and Betas.

8. Term and Termination.

8.1 Perpetual License. If Customer purchases a perpetual license to Licensed Software, Customer's license to the Licensed Software will continue in perpetuity subject to the terms and conditions of the Agreement. Support for Licensed Software is purchased separately unless otherwise indicated by Trimble in writing or on an Order.

8.2 Subscriptions.

(a) Subscription Term. If Customer purchases access to a SaaS or a license to Licensed Software for a limited period of time, the duration of the initial term and any renewals are as set forth in the Order (collectively, the "**Subscription Term(s)**"). Notwithstanding anything to the contrary in the Order, the start date for each Subscription Term for each Offering will begin on the Provision Date for that Offering. For clarity, each Offering may have a different Provision Date.

(b) Additional Subscriptions. If Customer previously purchased one or more Subscriptions for a particular Offering ("**Existing Subscription(s)**") and subsequently purchases one or more additional Subscriptions (for any Offering) while the Existing Subscription(s) is in effect (the "**Additional Subscription(s)**"), the duration of the Subscription Term for the Additional Subscription will be as set forth in the Order. Unless otherwise set forth

by Trimble in writing, all Customer's Subscriptions shall have the same end date and Trimble may invoice all fees for all such Subscriptions on a single invoice.

8.3 Effect of Termination. Upon expiration or termination of the Agreement or the Order, Customer's right to use the Offerings will cease and Customer will immediately cease any and all use of and access to the Offerings and will delete (or, upon request, return) all copies of any Offerings. At the disclosing party's request upon expiration or termination of the Agreement, the receiving party will delete all of the disclosing party's Confidential Information (excluding Customer Data, which is addressed in Section 3 (Data Usage and Ownership)). Customer Data and other Confidential Information may be retained in the receiving party's standard backups after deletion but will remain subject to the Agreement's confidentiality restrictions.

8.4 Survival. In reference to Section 4.3 of the General Terms (Survival), the following Sections of these Software Terms survive any expiration or termination of the Agreement: 1 (Definitions), 2.3 (Restrictions), 3.1 (Data Usage and Ownership), 4 (Customer Obligations), 8.3 (Effect of Termination), 8.4 (Survival), 9.3 (Additional Disclaimers), and 10 (Indemnification). Except where an exclusive remedy is provided, exercising a remedy under the Agreement, including termination, does not limit other remedies a party may have.

9. Warranties and Additional Disclaimers.

9.1 Limited Warranty. Subject to the Agreement and any mandatory Laws to the contrary, Trimble warrants to Customer that during the Warranty Period, the Offerings will perform materially as described in the Documentation. The "**Warranty Period**" is (a) 90 days for Licensed Software licensed on a perpetual basis, and (b) for the duration of the applicable Subscription Term, for any Subscriptions. Notwithstanding the foregoing, Trimble makes no warranties with respect to Correction Services, which are provided as-is and as-available.

9.2 Warranty Remedy.

- (a) If the Offering fails to conform to Section 9.1 (Limited Warranty) during the Warranty Period, Customer may make a reasonably detailed warranty claim within 30 days of discovering the issue. For any such claims reported by Customer within such period that Trimble determines are valid, Trimble will correct such non-conformity by issuing corrected instructions, a restriction, or a bypass, or by replacing the Offerings, at Trimble's option. Subject to any mandatory Laws to the contrary, these procedures are Customer's exclusive remedy, and Trimble's entire liability, for the failure of the Offerings to conform to the warranty in Section 9.1 (Limited Warranty).
- (b) The foregoing limited warranty only applies if and to the extent that (i) any Offering associated with the warranty is properly and correctly installed, configured, interfaced, maintained, stored, and operated in accordance with the Documentation, and (ii) any Offerings associated with the warranty is not modified or misused. The foregoing limited warranty does not apply to (1) issues caused by unauthorized use or modifications; (2) unsupported or unauthorized versions of any Offerings; (3) operating the Offerings under any specification other than, or in addition to, the Documentation; (4) issues in or resulting from Dependencies, Compatibilities, or third-party systems, products, or services; or (5) Free Versions, Trials and Betas or other similar versions.

9.3 Additional Disclaimers. Trimble makes the following disclaimers in addition to Section 6 (Warranty Disclaimer) in the General Terms.

(a) **General. TRIMBLE MAKES NO EXPRESS WARRANTY THAT CUSTOMER'S USE OF THE OFFERINGS WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF VIRUSES OR OTHER MALWARE OR PROGRAM LIMITATIONS; THAT TRIMBLE WILL REVIEW CUSTOMER DATA FOR ACCURACY; OR THAT TRIMBLE WILL MAINTAIN CUSTOMER DATA OR OTHER DATA WITHOUT LOSS. TRIMBLE IS NOT LIABLE FOR DELAYS, FAILURES, OR PROBLEMS INHERENT IN USE OF THE INTERNET, SATELLITES, ELECTRONIC COMMUNICATIONS, OR OTHER SYSTEMS OUTSIDE TRIMBLE'S CONTROL. TRIMBLE WILL NOT BE LIABLE IN ANY MANNER FOR THE OUTPUT OBTAINED THROUGH USE OF THE OFFERINGS OR CUSTOMER'S RELIANCE ON SUCH OUTPUT. CUSTOMER IS RESPONSIBLE FOR THE SUPERVISION, MANAGEMENT, AND CONTROL OF CUSTOMER'S USE OF THE OFFERINGS. THIS RESPONSIBILITY INCLUDES THE DETERMINATION OF APPROPRIATE USES FOR THE OFFERINGS AND THE SELECTION OF THE OFFERINGS TO ACHIEVE INTENDED RESULTS. ANY FORMS, POLICIES, OR OTHER MATERIALS PROVIDED BY TRIMBLE THROUGH THE OFFERINGS OR DOCUMENTATION ARE NOT INTENDED AND SHOULD NOT BE RELIED UPON AS LEGAL ADVICE OR LEGAL OPINION. CUSTOMER SHOULD CONSULT ITS OWN LEGAL COUNSEL REGARDING THE USE OF ANY SUCH MATERIALS. CUSTOMER IS ALSO RESPONSIBLE FOR ESTABLISHING THE ADEQUACY OF INDEPENDENT PROCEDURES FOR TESTING THE RELIABILITY AND ACCURACY OF ANY OUTPUT OF THE OFFERINGS. CUSTOMER MAY HAVE OTHER STATUTORY RIGHTS, BUT ANY STATUTORILY REQUIRED WARRANTIES WILL BE LIMITED TO THE SHORTEST LEGALLY PERMITTED PERIOD.**

(b) **Correction Services Disclaimers.** Customer acknowledges that the Correction Services and related network access are subject to transmission limitations caused by a variety of factors such as atmospheric conditions, topographical obstructions, limitations or lack of coverage of the underlying carrier service and other natural or manmade conditions. Additionally, motor and ignition noise, metal shielding, and interference by users of the same or adjacent radio channels may limit or interfere with Correction Services. Trimble is not responsible for the operation or failure of operation of GNSS satellites or the availability of GNSS satellite signals.

(c) **Third-Party Materials.** Third-Party Materials are provided "AS IS" and Customer assumes all risk and liability regarding any use of (or results obtained through) Third-Party Materials. Trimble and its suppliers make no warranty or guarantee with respect to any Third-Party Materials, including regarding their accuracy or continued availability or compatibility.

(d) **Dependencies and Compatibilities.** Trimble makes no warranty or guarantee with respect to any Dependencies, Compatibilities, or other factors outside of Trimble's control, including their continued availability or compatibility.

(e) **Prohibited Data.** Trimble and its suppliers specifically disclaim any responsibility for, and will not be liable in any manner arising from, any use of the Offerings in connection with Prohibited Data.

10. Indemnification. Customer will defend, indemnify, and hold harmless Trimble from and against any and all third-party claims, costs, damages, losses, liabilities, and expenses (including reasonable attorneys' fees and costs) arising out of or in connection with (a) any Customer Data, Dependencies, or Compatibilities, or (b) Customer's breach of Sections 2.3 (Restrictions), 4 (Customer Obligations), 6.1 (Third-Party Materials), 6.2 (Offering Content), or 6.4 (Third-Party Application Stores) (each, a "**Claim**"). Trimble will give Customer prompt written notice of any Claim and will cooperate in relation to the Claim at Customer's expense. Customer will have the exclusive right to control and settle any Claim, except that Customer may not settle a Claim without Trimble's prior written consent (not to be unreasonably withheld) if the settlement requires Trimble to admit any liability, pay any amounts or take any action or refrain from taking any action (other than ceasing use of infringing materials). Trimble may participate in the defense of any Claim at its expense.

11. Government End-Users. Elements of the Offerings are commercial computer software.
