This privacy notice discloses the privacy practices for Red Ball Oxygen Co. Inc. ("we" or "our" or "us") and our website at [www.redballoxygen.com](http://www.redballoxygen.com) ("Site")

## Information Collection, Use, and Sharing

### Information we collect

When you visit our website, we collect "Personal Information" and "Non-Personal Information". Personal Information includes your email, name, company name and contact information which you submit to us through the account creation process on the site. Non-Personal Information includes information that cannot be used to personally identify you, such as anonymous usage data, general demographic information, exit pages and URLs, platform types and preferences you submit.

In order to place orders on this website, a user must first complete the registration form. During registration a user is required to give certain information (such as name, address and email address).

We also collect information from or about you in other ways, such as through contact with our customer support team, sales representatives and other interactions.

### Information Usage

#### Personal Information

We do not sell, trade, rent or share your Personal Information with third parties without your consent. We do share Personal Information with service providers who help us with our business operations. These service providers use your Personal Information only at our direction and in accordance with our Privacy Policy.

#### Non-Personal Information

Broadly, we use Non-Personal Information to help us improve the Service and personalize user experience. We share aggregated demographic information with our partners and advertisers. This Privacy Policy does not limit in any way our use of Non-Personal Information. We reserve the right to use and disclose any Non-Personal Information with our advertisers, partners or third-parties at our discretion.

### Information Protection

We employ a variety of technical and organizational measures to keep your personal information safe and to prevent unauthorized access to, or use of it. Unfortunately, no information transmission over the Internet is guaranteed 100% secure nor is any storage of information always 100% secure, but we do take all appropriate steps to protect the security of your personal information.

## Cookies

A cookie is a small data file that certain websites store on your computer's hard-drive when you visit such websites. Our site will attempt to store a "cookie" on your computer, which will be read each time you visit the site. We may use cookies to establish continuity between related requests, to personalize the site to your preferences, to authenticate your log-in, and to analyze site traffic. You may choose to block cookies with your browser, but if you do, you may not be able to take advantage of all of this site's features.

Cookies may be set by parties other than us. Since the cookie policies of these sites change over time, you should determine their policies by visiting the privacy policy pages of these sites directly.

## Changes to this policy

We may change this Privacy Policy from time to time. If we change the policy, we will post the modified policy on this page.
