

NOTIFICATION OF CHANGED INVOICING ADDRESS

Dear Business Partner

We have introduced Procountor financial management software in our operations.

We have now the possibility to receive electronic invoices. We are looking forward to receiving primarily electronic invoices from you. Compared to paper invoices, processing electronic invoices is faster, cheaper and more reliable for the sender and the receiver.

Our electronic invoice addresses are:

| Operator | Electronic invoice address | Electronical Data Interchange ID (EDI) |
|--------------------------------------|-----------------------------------|---|
| OpusCapita Solutions Oy (E204503) | 003728968363 | 003728968363 |

If you are not able to send electronic invoices, we ask you to send paper invoices in the future to the purchase invoice scanning service. The address is:

**Bou Oy (OpusCapita scanning service)
P.O. Box 14438
00062 LASKUTUS**

To enable the scanning service to recognise your invoice, this invoice address is to be printed on the actual invoice, not only the envelope. We also ask you to note that no other material than invoices is allowed in this address. The postal address for material, such as notifications, marketing material etc. remains the same as before.

The address of Bou Oy for email scanning is: PosseCreativeOy.FI.P.128831-5@docinbound.com

Best regards,

Bou Oy
