Of whose personal identity, I am certain.

The same has charged me with writing the minutes of the resolutions
of the Board of Directors of said company, for which a notarized deed
is required.

By accepting the above-mentioned request, I, the Notary, verbalize
the following.

Eugenio Razelli, chairs the meeting and:

given that

the present meeting of the Board of Directors has been convened for
today, at this place and time with notice dated 4 March 2020; given
that

- for the Board of Directors, in addition to the Chairman of the Board
of Directors himself, Mr. Eugenio Razelli, the Chief Executive
Officer, Mr. Angelo Trocchia and the Directors Messrs.

GROOT Melchert Frans, POLET Robert, MAZZILLI Ines Maria Lina,
GUZZETTI Guido, MORELLI Cinzia and GERARDIN Catherine Marie Yvonne,
all participating via teleconference, whereas the Director COLE
Jeffrey Alan has justified his absence;

- for the Board of Statutory Auditors, the Chairman Ms. PEZZUTO
Carmen and Statutory Auditors CORGNATI Franco and SOLIMANDO Bettina
are present via teleconference;

- furthermore, Francesco Gianni and Katia Buja, Group Global
Head Corporate and Legal Affairs, as well as Gerd Graehsler, Group
Chief Financial Officer and Valentina Russo, Legal Corporate Affairs

Counsel, are participating via teleconference;
and therefore, the Chairman, having ascertained that the meeting has
been regularly convened and the identity and legitimacy of those in
attendance,

declares

the meeting validly convened to resolve upon the following item on
the agenda, which he reads:

1. Alignment of the Company's Articles of Association
to new regulatory provisions; related and consequent
resolutions

... omisiss ...

Those in attendance confirm that they have regularly received the
notice of call containing the meeting agenda within the related
deadline.

The Chairman reminds those in attendance that pursuant to Article
20 of the Articles of Association, in accordance with Article 2365,
second paragraph, of the Italian Civil Code, the Board of Directors
of "SAFILO GROUP S.p.A." is assigned with the responsibility to amend
the Articles of Association so as to align them to statutory and
regulatory requirements. Therefore, today, the Board of Directors
of the Company has been convened in order to resolve upon the
alignment of the Articles of Association to the mandatory provisions
of Law No. 160/2019, which entered into force on January 1, 2020,
and which amended the provisions on gender balance in corporate
bodies as introduced into Italian law by law No. 120/2011, as well
as to approve the Illustrative Report attached to these minutes as
letter "A".

The above-mentioned Law, in particular, amended the law provisions
currently in force as follows:

- a) increase in the percentage of components belonging to the less
represented gender, from at least one third to at least two
fifths, both for the board of directors and board of statutory
auditors;
- b) extension of the application of this new gender criterion of at
least two fifths to six consecutive mandates, in lieu of three
mandates;
- c) gradual application of the new provisions only to newly listed
companies and not also to already listed companies.

Following the entry into force of the Law, Consob published the
Communication No. 1/20 of January 30th, 2020, in order to provide
an interpretative clarification on how the new provisions on gender
balance should be applied to corporate bodies composed of three
members, with particular reference therefore to the Boards of
Statutory Auditors of listed companies, normally composed of 3
(three) Standing Auditors.

As, in fact, in the case of a board composed of three members, the
two fifths reserve is inapplicable due to arithmetic impossibility,
Consob has clarified that, in this case, the rounding down rather
than up rule is applied, as currently provided for by the Issuers'
Regulations.

The scope of this interpretative clarification is limited to the corporate bodies composed of three members, while for corporate bodies with a different composition, the criterion of rounding up to the higher unit remains unchanged.

Given the above, the Board of Statutory Auditors in office as of today will expire on the date of the shareholders' meeting called to approve the financial statements as at 31 December 2019, whereas the Board of Directors in office as of today will expire on the date of the shareholders' meeting called to approve the financial statements as at 31 December 2020.

Both renewals of the corporate bodies shall therefore take place, on the respective dates indicated above, in compliance with the new provisions on gender balance.

The Chairman then moves on to illustrate the amendments to the Articles of Association to be resolved upon by the Board of Directors.

In particular, Articles 14 and 15, relating to the appointment and replacement of the members of the Board of Directors during their mandate, and Article 27, relating to the appointment of the Board of Statutory Auditors, have been amended by inserting a "generic" sentence referring to the applicable pro tempore legislation and regulations in force concerning gender balance so as to avoid subsequent amendments to the Articles of Association in the event of any legislative or regulatory changes on this topic.

To this regard, it should be noted that the amendments to the Articles of Association do not imply the right of withdrawal by the Shareholders pursuant to Article 2437 of the Italian Civil Code. The above being said, while the Illustrative Report attached to these minutes reports the comparison of the current Articles of Association and those to be approved by the Board of Directors today, the Chairman proceeds to illustrate the main changes proposed for each of the above-mentioned Articles, underlining that the substantial changes in the text are highlighted in bold.

ARTICLES OF ASSOCIATION: PROPOSED WORDING

"Article 14)

The Company shall be managed by a Board of Directors consisting of between six and fifteen members, who need not be shareholders.

The size of the Board of Directors shall be determined by the Shareholders' Meeting.

Members of the Board of Directors shall remain in office for three financial years and are eligible for re-election.

The directors must satisfy the requirements of eligibility, experience and integrity established by law and other applicable regulations. At least one of the members of the Board of Directors, or two if the Board has more than seven members, must satisfy the independence requirements applying to statutory auditors under current legislation.

In accordance with the provisions of article 147-ter of the Legislative Decree no. 58 of 24 February 1998:

(i) to the purpose of ensuring that minority shareholders are represented by one member on the Board of Directors, the Board of Directors is appointed on the basis of lists presented by shareholders containing a maximum of 15 candidates, all listed with a sequential number; and

(ii) to the additional purpose of ensuring the balanced representation of genders (masculine or feminine) within the Board of Directors, the mechanism for the election of the Board of Directors set forth in this Article 14 **shall in any case ensure balance between genders (masculine or feminine) within the Board of Directors in compliance with the applicable pro tempore legislation and regulations in force.**

A) Presentation of lists

Lists may be presented only by those shareholders who own, alone or together with others, at the time of presenting the list, at least a percentage of share capital, consisting of shares with voting rights at Ordinary Shareholders' Meetings, set forth by applicable law or regulations governing the directors' appointments. This percentage shall be specified in the notice convening the Shareholders' Meeting called to resolve on the appointment of the Board of Directors. The outgoing Board of Directors can also present a list of its own.

No individual/entity attending the meeting, none of the shareholders belonging to a shareholder syndicate relating to the Company's shares as defined by article 122 of Decree 58/1998, nor the parent company, subsidiaries or companies under common control pursuant to article 93 of Decree 58/1998, may present or vote for more than one list, including through a third party or trust companies. No candidate may appear in more than one list, otherwise they will be disqualified.

If the above rules are not observed by one or more individuals/entities entitled to attend and vote at the Shareholders' Meetings, their vote for any of the lists presented is discounted.

The lists presented must be filed at the Company's registered office at least 25 (twenty-five) days in advance of the date set for the single call or first call of the Shareholders' Meeting or within the different deadline set forth by applicable law in force from time to time. This requirement must be mentioned in the notice convening the meeting, without prejudice to any other form of publicity established by legislation in force from time to time.

Each list must be signed by those presenting it and filed within the term specified above at the Company's registered office, accompanied by (i) the professional curricula of the candidates, and (ii) statements by each individual candidate accepting their candidacy and confirming, under their own responsibility, that they are in possession of the requirements envisaged by prevailing statutory and regulatory provisions for members of the Board of Directors and the absence of any reasons for incompatibility and/or ineligibility contained in law.

Candidates for whom the above rules are not observed are disqualified.

The lists presented are made available to the public at the Company's office, on its website and through the other modalities provided for by applicable law and regulations, at least 21 (twenty-one) days before the date of single call or first call of the Shareholders' Meeting convened to resolve on the appointment of the Board of Directors or within the different deadline provided for by applicable law and regulations in force from time to time.

Shareholders presenting a list of candidates must also provide the Company, within the deadline for presentation of the list, with the information concerning their own identity and percentage of shares held. The certificate attesting the ownership of at least the minimum shareholding required to present a list of candidates, determined having regard to the amount of shares registered in favour of the concerned shareholders on the same day when the lists are deposited with the Company, can be delivered to same Company also after the deposit of the lists, provided that such certificate is delivered at least 21 (twenty-one) days before the date of first call of the relevant Shareholders' Meeting or within the different deadline provided for by the applicable law in force from time to time.

In compliance with the current legislative and regulatory provisions as well as the latest version of the Corporate Governance Code issued by the Corporate Governance Committee, each list shall contain a number of candidates who satisfy the independence requirements for statutory auditors established in article 148, paragraph 3, of the Legislative Decree no. 58 of 24 February 1998, specifying such candidates clearly.

If and until expressly provided by mandatory law and/or regulatory provisions, each list, except for those containing less than three candidates, shall be composed of a number of candidates belonging to the underrepresented gender (masculine or feminine) so that, should such list result as the Directors Majority List (as defined below), from such list a number of Directors belonging to the underrepresented gender are elected **in order to ensure balance between genders (masculine or feminine) within the Board of Directors in compliance with the applicable pro tempore legislation and regulations in force.**

Lists for which the above provisions are not observed shall be treated as if they had not been presented.

B) Voting

The vote of each entitled individual/entity shall refer to the list and hence all the candidates appearing therein, without the possibility of making any changes, additions or exclusions.

Once the Shareholders' Meeting has decided the number of directors to be elected, the procedures are as follows:

1) all the Directors requiring election, but one, shall be elected from the list obtaining the highest number of votes ("**Directors Majority List**"), in the sequential order in which they appear on that list;

2) one Director shall be elected, in compliance with statutory provisions, from the list obtaining the second highest number of votes ("**Directors Minority List**"), which shall not be associated in any way, even indirectly, with the individuals/entities who presented and/or voted for the Majority List; the Director elected in this case shall be the candidate at the head of this list. However, if not even one independent Director is elected from the Directors Majority List, then the first independent Director appearing on the Directors Minority List shall be elected in place of the candidate at the head of this list.

In the event of a tie, the entire Shareholders' Meeting will vote again until an unequivocal result is achieved.

The Chairman of the Board of Directors shall be the first candidate appearing on the Directors Majority List.

No account is taken of lists that obtain a percentage of votes corresponding to less than half of that required by this article for their presentation.

If only one list is presented, or admitted to voting, the Shareholders' Meeting shall vote on this. If this list obtains the required majority vote, the number of directors established by the Shareholders' Meeting shall be elected from it in the sequential order in which the candidates appear therein and subject to compliance, if and until expressly provided by mandatory law and/or regulatory provisions, with the required balance between genders (masculine or feminine) within the Board of Directors.

The Directors Majority List or the only list (as the case may be) shall ensure compliance with **the applicable pro tempore legislation and regulations in force regarding balance between genders**. In particular, if the composition of the managing body, determined on the basis of the sequence numbers assigned to the candidates of such list, does not include a sufficient number of components of the underrepresented gender (masculine or feminine) - taking also into account, in case of the Directors Majority List, the gender (masculine or feminine) of the candidate elected by the Directors Minority List -, candidates having the lowest sequence number, belonging to the mainly represented gender (masculine or feminine) will be automatically replaced by candidates of the underrepresented gender (masculine or feminine) with the highest sequence number, until the minimum **quota required by the applicable pro tempore legislation and regulations in force regarding balance between genders**.

If no list is presented or the list(s) presented contain(s) a number of candidates (also in terms of underrepresented gender, masculine or feminine) not sufficient to elect the entire managing body, the Board of Directors or, as appropriate, the additional Directors to be elected in order to reach the number of members of the Board of Directors established by the Shareholders' Meeting, shall be appointed by same Shareholders' Meeting with the voting majorities required by law. In each case, it shall be carefully ensured the presence within the Board of Directors of the necessary number of

members having all the requirements set forth by applicable laws and regulations, who shall also be selected in such a way as to ensure the presence in the Board of Directors of **the minimum quota required by the applicable pro tempore legislation and regulations in force regarding balance between genders.**"

ARTICLES OF ASSOCIATION: PROPOSED WORDING

"Article 15)

If one or more directors should vacate office during the year, the following procedures shall be adopted for their replacement in accordance with article 2386 of the Italian Civil Code:

a) the Board of Directors shall appoint replacements by way of co-optation of individuals belonging to the same list of the resigned Directors; the next Shareholders' Meeting shall vote with the legally required majorities, in compliance with the same principle and nonetheless ensuring that the Board of Directors contains the correct number of directors qualifying as independent required by current statutory and regulatory provisions. If and until expressly provided by mandatory law and/or regulatory provisions, the Board of Directors shall appoint replacements of the same gender (masculine or feminine) of the ceased Directors, so to ensure the compliance with **the applicable pro tempore legislation and regulations in force regarding balance between genders**, having also care to ensure that the Board of Directors contains the correct number of Directors having the independency requirements set forth by current statutory and regulatory provisions.

The Shareholders' Meeting, in confirming/replacing the coopted Directors or, in the absence of co-optation, in directly proceeding with the appointment of replacements, resolves with the voting majorities set forth by law, having however care of complying with the same principles referred above;

b) if the list no longer contains previously unelected candidates, the Board of Directors shall make the replacement without observing the procedure set out in point (a) above. Similarly, the related vote by the next Shareholders' Meeting, again with the legally required majorities, shall nonetheless ensure that the Board of Directors contains the correct number of Directors qualifying as independent required by current statutory and regulatory provisions and, if and until expressly provided by mandatory law and/or regulatory provisions, the required number of Directors belonging to the underrepresented gender (masculine or feminine).

If two or more Directors resign or leave the Board of Directors for any other reason, the entire Board will be considered replaced from the date on which the new Board takes office."

ARTICLES OF ASSOCIATION: PROPOSED WORDING

"Article 27)

The Board of Statutory Auditors shall consist of three standing members and two alternate members, who remain in office for three financial years and are eligible for re-election. Current laws shall

apply to statutory auditors' requirements for eligibility, integrity, experience and independence, to their duties, the determination of their remuneration and their term in office; more specifically, with regard to the experience requirements under article 1 of Ministry of Justice Decree 162 dated 30 March 2000, activities that are considered strictly pertinent to those of the Company are those matters concerning commercial or tax law, economics or corporate finance and the sectors of activity listed in article 4 above and the sectors of fashion, luxury goods, manufacturing industry, finance, banking and insurance.

The number of candidates appearing in the lists may not exceed the number of members up for election. Each candidate shall be listed with a sequential number. Furthermore, if and until expressly provided by mandatory law and/or regulatory provisions, each list, except for those containing less than three candidates, shall be composed of a number of candidates belonging to the underrepresented gender (masculine or feminine) so that, should such list result as the Statutory Auditors Majority List (as defined below), from such list a number of statutory auditors belonging to the underrepresented gender are elected **so to ensure compliance with the applicable pro tempore legislation and regulations in force regarding balance between genders.**

No candidate may appear in more than one list, otherwise they will be disqualified.

A) Presentation of lists

Lists may be presented only by those shareholders who own, alone or together with others, at the time of presentation of the list, at least the percentage of share capital consisting of shares with voting rights at Ordinary Shareholders' Meetings, set forth by applicable law or regulations governing the appointment of the Board of Statutory Auditors. Details of this percentage and of the appointment procedures shall be provided in the notice convening the Shareholders' Meeting.

No individual/entity attending the meeting, none of the shareholders belonging to a shareholder syndicate as defined by article 122 of Decree 58/1998, nor the parent company, subsidiaries and companies under common control pursuant to article 93 of Decree 58/1998, may present or vote for more than one list, either directly or through a third party or trust company.

If the above rules are not observed by one or more individuals/entities entitled to attend and vote at the Shareholders' meeting, their vote for any of the lists presented is discounted.

The lists, containing the names of the candidates for the office of

standing statutory auditor and alternate statutory auditor, prepared in compliance with **the applicable pro tempore legislation and regulations in force**, shall be signed by the shareholders presenting them and filed at the Company's registered offices at least 25 (twenty-five) days in advance of the date set for the single call or first call of the related Shareholders' Meeting or within the different deadline set forth by applicable law in force from time to time, without prejudice to any other form of publicity established by applicable legislation. The lists must be accompanied by:

(i) information on the identity of the shareholders who have presented the lists, specifying their overall percentage interest in share capital, and a certificate confirming them as the owners of such interest. The certificate attesting the ownership of at least the minimum shareholding required to present a list of candidates, determined having regard to the amount of shares registered in favour of the concerned shareholders on the same day when the lists are deposited with the Company, can be delivered to same Company also after the deposit of the lists, provided that such certificate is delivered at least 21 (twenty-one) days before the date of first call of the relevant Shareholders' Meeting or within the different deadline provided for by the applicable law in force from time to time;

(ii) a statement by the shareholders, other than those who individually or jointly own a controlling or majority interest, confirming the absence of relationships connecting them to the latter, as defined by article 144-quinquies of the regulations implementing Decree 58/1998;

(iii) comprehensive details on the personal characteristics and experience of the candidates;

(iv) a statement by the candidates themselves confirming that they are in possession of the requirements envisaged by law, that there are no reasons of ineligibility and incompatibility against them holding office and that they meet the requirements of integrity and experience established by law for members of the Board of Statutory Auditors;

(v) statements by the candidates in which they accept their candidacy and provide details of the number of their appointments as directors or statutory auditors in other companies, with the undertaking to update this list at the date of the Shareholders' Meeting.

(vi) any other information required by current statutory and regulatory provisions.

Lists for which the above provisions are not observed shall be treated as if they had not been presented.

The lists presented are made available to the public at the Company's office, on its website and through the other modalities provided for by applicable law and regulations, at least 21 (twenty-one) days before the date of single call or first call of the Shareholders' Meeting convened to resolve on the appointment of the Board of Statutory Auditors or within the different deadline provided for by applicable law and regulations in force from time to time.

B) Voting

Every shareholder entitled to vote may vote for only one list, including through a third party or trust company.

Two standing members and one alternate member shall be elected from the list that obtains the highest number of votes ("**Statutory Auditors Majority List**") in the sequential order in which they appear on this list.

The third standing member and the second alternate member shall be taken from the list obtaining the second highest number of votes and presented and voted by entitled individuals/entities who are not associated with the majority shareholders as defined by par. 2, article 148 of Decree 58/1998 ("**Statutory Auditors Minority List**"). The first and second candidates appearing on this list shall be elected in the sequential order in which they appear therein.

In the event of a tied vote, further ballots shall be taken involving the entire Shareholders' Meeting in order to obtain an unequivocal result.

The Shareholders' Meeting shall appoint the standing member elected on the Statutory Auditors Minority List as the Chairman of the Board of Statutory Auditors.

Without prejudice to the above, the provisions of law and regulations in force from time to time apply to the presentation, deposit and publication of the lists, including in the cases where only one list is presented, or the lists are presented by shareholders associated one with the others as per par. 2 of article 148 of Decree 58/1998. In any event, even if only one list has been presented or admitted to voting, the candidates on this list shall be appointed as standing statutory auditors, in compliance, if and until expressly provided by mandatory law and/or regulatory provisions, with the required balance between genders (masculine or feminine, and alternate statutory auditors in accordance with the sequential number in which they appear in the respective sections of this list.

The Statutory Auditors Majority List or the only list (as the case may be) shall ensure compliance with **the applicable pro tempore legislation and regulations in force regarding balance between genders**. In particular, if the composition of the controlling body, determined on the basis of the sequence numbers assigned to the candidates of such list, does not include a sufficient number of candidates of the underrepresented gender (masculine or feminine) - taking also into account, in case of the Statutory Auditors Majority List, the gender (masculine or feminine) of the candidate elected by the Statutory Auditors Minority List -, candidates having the lowest sequence number, belonging to the mainly represented gender (masculine or feminine), will be automatically replaced by candidates of the underrepresented gender (masculine or feminine) with the highest sequence number, until **the minimum quota required by the applicable pro tempore legislation and regulations in force regarding balance between genders**.

If no list is presented or if it is not possible to appoint one or more statutory auditors using the list voting system, the

Shareholders' Meeting shall decide with the majorities required by law and ensuring, in any case, the presence of the required number of members belonging to the underrepresented gender (masculine or feminine) between the standing members of the Board of Statutory Auditors, such as to comply with **the applicable pro tempore legislation and regulations in force regarding balance between genders.**

C) Replacement

In the event of having to replace a statutory auditor, the replacement shall be an alternate statutory auditor belonging to: (i) the same list and (ii) if and until it is necessary in order to ensure the proportion between genders (masculine and feminine) within the Board of Statutory Auditors **required by the applicable pro tempore legislation and regulations in force regarding balance between genders**, the same gender as the ceased statutory auditor, in the order specified therein.

This is without prejudice to other replacement procedures established by current statutory or regulatory provisions.

The Shareholders' Meeting called under par. 1, article 2401 of the Italian Civil Code shall make the appointment or replacement in compliance with the principle of having the required minority representation and, if and until it is necessary, in order to ensure the balance between genders (masculine and feminine) within the Board of Statutory Auditors, in compliance with the **applicable pro tempore legislation and regulations in force regarding balance between genders.**

The powers, duties and term in office of the statutory auditors are those established by law.

The statutory auditors may, individually or jointly, request the Board of Directors to provide details and explanations about the information they have received and about general business trends or specific transactions, and may carry out inspections and controls at any time.

Members of the Board of Statutory Auditors may not hold similar appointments in more than five companies that are quoted on the stock exchange. The statutory auditors shall comply with the limits on the number of appointments as a director or statutory auditor established by article 148-bis of Decree 58/1998 and related regulations for its implementation.

No standing or alternate statutory auditor may be a director or employee of companies or entities that control the Company; this is without prejudice to the other limitations on the number of appointments that may be held under current statutory or regulatory provisions.

Meetings of the Board of Statutory Auditors may be held via teleconference or videoconference, in accordance with the terms stated in Article 17."

The Chairman declares the discussion open and no-one asks to take the chair.
