

ANDREA GRASSINI

Chief Operations Officer

Andrea Grassini (born in Milan on May 11, 1971) has been the Chief Operations Officer of Safilo S.p.A. since December 2023. After a Master Degree in Industrial engineering at the Politecnico di Milano he began, in 1998, an international career .

With over 18 years in the Eyewear sector, he began his career in Safilo in 2005 where he held various roles of increasing responsibility, including several overseas projects such as the Global Sourcing Transformation in China and becoming Head of Global Supply Chain for the company.

Before joining Safilo he worked for Deloitte and gained 8 years' experience in Management consulting dealing with complex projects for large corporations in the oil & gas and utilities sectors.

He speaks Italian (mother tongue) and English (fluent).
