

## **Independent auditor's report**

*in accordance with article 14 of Legislative Decree No. 39 of 27 January 2010 and article 10 of Regulation (EU) No. 537/2014*

To the shareholders of Safilo Group SpA

---

### **Report on the Audit of the Financial Statements**

---

#### **Opinion**

We have audited the financial statements of Safilo Group SpA (the Company), which comprise the balance sheet as of 31 December 2023, the income statement, statement of comprehensive income, statement of changes in equity, statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as of 31 December 2023, and of the result of its operations and cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union, as well as with the regulations issued to implement article 9 of Legislative Decree No. 38/05.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of this report. We are independent of the Company pursuant to the regulations and standards on ethics and independence applicable to audits of financial statements under Italian law. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Key Audit Matters**

**Auditing procedures performed in response to key audit matters**

---

**Recoverability of the value of investments in subsidiaries**

*Note 4.5 to the financial statements*

The financial statements of Safilo Group SpA include the value of the investment in the subsidiary Safilo SpA for Euro 414 million, accounting for 93% of total assets. In consideration of the difference between the value of the investment in Safilo SpA and the contribution of its net assets to the consolidated financial statements, management tested the investment for impairment.

The entire Safilo Group is operationally controlled by the subsidiary Safilo SpA, therefore the impairment test was derived from the one prepared for the purposes of the consolidated financial statements, carried out on the basis of the financial projections relating to the period 2024-2028, approved by the board of directors on 14 March 2024.

As part of the audit of the financial statements as of 31 December 2023, we focused on this area of the financial statements in consideration of the materiality of the amount recorded, also relative to total assets, and the elements of estimation inherent in the assessment of the recoverability of the book value of the investment.

As part of our audit of the financial statements as of 31 December 2023, we performed the procedures illustrated below.

We obtained the exercise prepared by management for verifying the recoverable value of the equity investment. Our audit approach was based on the analysis of the method used by management to prepare the impairment test and included the following procedures:

- we understood and evaluated the Company's internal control over the process of verifying the recoverability of the equity investment;
- we analysed the reasonableness of the assumptions underlying the forecasts in terms of the estimated future cash flows, in light of past results and comparing the growth rates used by management with external sources.

With the support of PwC network valuation experts, we verified that the methodologies used for the impairment test were consistent with international financial reporting standards as adopted by the European Union ("EU IFRS") and with prevailing valuation practice.

Moreover, the key valuation parameters adopted were analysed in terms of reasonableness. With specific reference to the methods of calculation of discount rates and medium/long-term growth rates, we verified their consistency with the provisions of EU IFRS, with prevailing practice and with available market data.

We verified the mathematical accuracy of the calculation of the impairment test.

---

***Key Audit Matters***

---

***Auditing procedures performed in response to key audit matters***

---

Finally, our procedures included an analysis of the explanatory notes to the financial statements to assess the adequacy and completeness of disclosures.

---

***Other Matters***

The financial statements of Safilo Group for the year ended 31 December 2022 have been audited by other auditors who, on 15 March 2023, expressed an unqualified opinion on the financial statements.

***Responsibilities of the Directors and the Board of Statutory Auditors for the Financial Statements***

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union, as well as with the regulations issued to implement article 9 of Legislative Decree No. 38/05 and, in the terms prescribed by law, for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The directors are responsible for assessing the Company's ability to continue as a going concern and, in preparing the financial statements, for the appropriate application of the going concern basis of accounting, and for disclosing matters related to going concern. In preparing the financial statements, the directors use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The board of statutory auditors is responsible for overseeing, in the terms prescribed by law, the Company's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA Italia) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of our audit conducted in accordance with International Standards on Auditing (ISA Italia), we exercised our professional judgement and maintained professional scepticism throughout the audit. Furthermore:

- we identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error; we designed and performed audit procedures responsive to those risks; we obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- we obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- we evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors;
- we concluded on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- we evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicated with those charged with governance, identified at an appropriate level as required by ISA Italia, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

We also provided those charged with governance with a statement that we complied with the regulations and standards on ethics and independence applicable under Italian law and communicated with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate the related risks, or safeguards applied.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We described these matters in our auditor's report.

### ***Additional Disclosures required by Article 10 of Regulation (EU) No. 537/2014***

On 27 April 2023, the shareholders of Safilo Group SpA in general meeting engaged us to perform the statutory audit of the Company's and consolidated financial statements for the years ending 31 December 2023 to 31 December 2031.

We declare that we did not provide any prohibited non-audit services referred to in article 5, paragraph 1, of Regulation (EU) No. 537/2014 and that we remained independent of the Company in conducting the statutory audit.

We confirm that the opinion on the financial statements expressed in this report is consistent with the additional report to the board of statutory auditors, in its capacity as audit committee, prepared pursuant to article 11 of the aforementioned Regulation.

---

## ***Report on Compliance with other Laws and Regulations***

---

### ***Opinion on compliance with the provisions of Commission Delegated Regulation (EU) No. 2019/815***

The directors of Safilo Group SpA are responsible for the application of the provisions of Commission Delegated Regulation (EU) No. 2019/815 concerning regulatory technical standards on the specification of a single electronic reporting format (ESEF - European Single Electronic Format) (hereinafter, the "Commission Delegated Regulation") to the financial statements as of 31 December 2023, to be included in the annual report.

We have performed the procedures specified in auditing standard (SA Italia) No. 700B in order to express an opinion on the compliance of the financial statements with the provisions of the Commission Delegated Regulation.

In our opinion, the financial statements as of 31 December 2023 have been prepared in XHTML format in compliance with the provisions of the Commission Delegated Regulation.

***Opinion in accordance with Article 14, paragraph 2, letter e), of Legislative Decree No. 39/10 and Article 123-bis, paragraph 4, of Legislative Decree No. 58/98***

The directors of Safilo Group SpA are responsible for preparing a report on operations and a report on the corporate governance and ownership structure of Safilo Group SpA as of 31 December 2023, including their consistency with the relevant financial statements and their compliance with the law.

We have performed the procedures required under auditing standard (SA Italia) No. 720B in order to express an opinion on the consistency of the report on operations and of the specific information included in the report on corporate governance and ownership structure referred to in article 123-bis, paragraph 4, of Legislative Decree No. 58/98, with the financial statements of Safilo Group SpA as of 31 December 2023 and on their compliance with the law, as well as to issue a statement on material misstatements, if any.

In our opinion, the report on operations and the specific information included in the report on corporate governance and ownership structure mentioned above are consistent with the financial statements of Safilo Group SpA as of 31 December 2023 and are prepared in compliance with the law.

With reference to the statement referred to in article 14, paragraph 2, letter e), of Legislative Decree No. 39/10, issued on the basis of our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have nothing to report.

Padua, 22 March 2024

PricewaterhouseCoopers SpA
