Annuities can offer a practical, no-nonsense, tax-advantaged way for consumers to save today and know they'll have guaranteed income in the future. At Delaware Life Insurance Company ("Delaware Life"), we believe that annuities can be a core part of a client's financial strategy. That's why we offer annuities with the potential for growth, and for income, that can last a lifetime—so our customers can plan for new adventures in retirement.

Delaware Life brings you a long history and solid track record of performance in the insurance and annuity space and has maintained strong ratings. Delaware Life is committed to a product suite that addresses the real issues of retirement and legacy planning, providing solutions for both accumulation and income.

## Benefit from a legacy of innovation and expertise

Delaware Life traces its history back to the 1970s, when as one of the flagship Group1001 brands, Delaware Life—known as Sun Life Assurance Company of Canada (U.S.) until its name change in July 2014—launched its first annuity. The company is well known for its decades of fixed, fixed index, and variable annuity innovations. Drawing from those roots, Delaware Life has built a strong balance sheet and maintains a long-tenured employee base with extensive annuity and life insurance expertise.
