- VEGAN FRIENDLY DISHES

Adults need around 2000 Kcal per day. Please let us know before you order if you have any allergies or intolerances and we will guide you through our menu.

All information correct at time of printing. Please note that timings and pricing may vary depending on restaurant location. Please visit our website for full details. Please speak to a member of our team if you have any allergies or intolerances before ordering and we will guide you through our menu. Please also ask for our allergen booklet. All of our dishes are prepared and cooked in kitchens where allergen ingredients (e.g nuts, flour etc) are commonly used, and we therefore cannot guarantee our dishes will be free from all traces of these products. All dishes may contain ingredients not listed on this printed menu. Due to the way we marinate the chicken, there is sometimes a slight red colour to the meat, please note that the chicken is fully cooked. Chicken, fish and duck dishes may contain bones. All prices include VAT at the current rate. Please note we add an optional service charge to each bill, and this will go directly to the restaurant team - please let us know if you'd like to remove this.

For up to date calorie information, and to view our allergen booklet please scan here, or ask your server.
