TERMS OF YOUR AUTOMATIC PAYMENTS

Electronic Payment Terms and Conditions v1.19

When you authorize an Electronic Payment (also known as an ACH Debit) with Tally, you acknowledge and agree that the amount will be withdrawn from your checking account in 1-2 business days after the payment is applied. Your authorization will remain in effect until you cancel. You agree to update your financial institution information that impacts your payment if it changes. You certify that you are an authorized user of this bank account.

Acknowledgement of ACH Debit

Tally will send you a notice within two days of payment confirming the amount and the date of the initial debit when your authorization has been processed.

Notice of Varying Amounts

If these regular payments may vary in amount, your monthly loan statement will outline when it will be made and how much it will be.

Electronic Authorization Consent

To use our ACH Debit online service, you must agree to receive the terms of the authorization electronically. You also agree that once you reply "I Approve" in response to a request for automatic payments, this constitutes your electronic acceptance of the terms of the authorizations by means of a valid and binding electronic signature that will have the same force and effect as a handwritten signature by you.
