Ingredients with workplace control parameters							
Contains no substances with occupational exposure limit values.							
Engineering measures :	No applicable information available.						
Personal protective equipment	ıt						
Respiratory protection :	Wear appropriate certified respirator when exposure limits may be exceeded. Use NIOSH approved respiratory protection.						
Hand protection							
Remarks :	The suitability for a specific workplace should be discussed with the producers of the protective gloves.						
Eye protection :	Eye wash bottle with pure water Tightly fitting safety goggles Wear face-shield and protective suit for abnormal processing problems.						
Skin and body protection :	Impervious clothing Choose body protection according to the amount and con- centration of the dangerous substance at the work place.						
Protective measures :	Do not inhale gases/vapours/aerosols. Avoid contact with the skin, eyes and clothing. Avoid exposure - obtain special instructions before use. Handle in accordance with good building materials hygiene and safety practice. Wearing of closed work clothing is recommended.						
Hygiene measures :	When using do not eat or drink. When using do not smoke. Wash hands before breaks and at the end of workday.
