

MasterColor® BLUE

Think Blue and its Colorful Potential

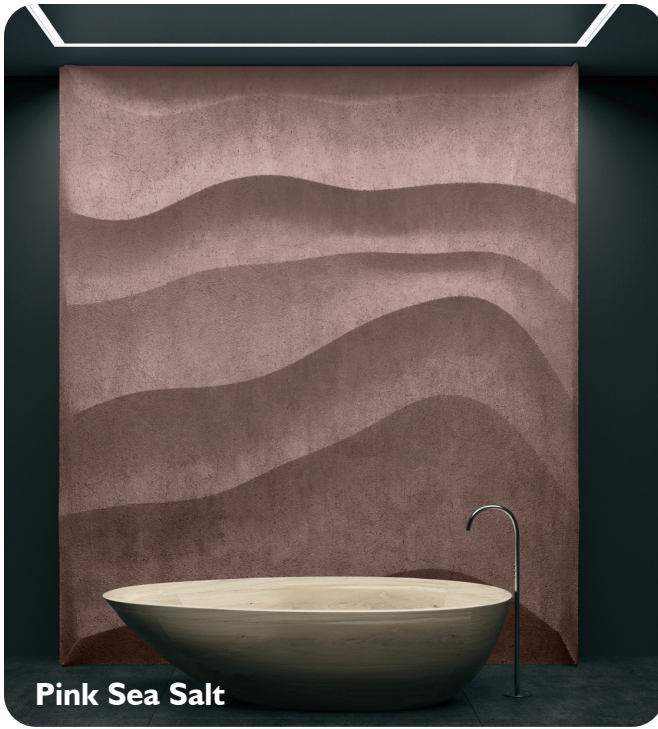

Introducing blue into our liquid-coloring lineup of base colors significantly expands the color palette for decorative concrete – and is sure to spark the imagination of owners, architects and contractors, seeking distinctive design solutions.

Benefits

- Distinct color options
- Long-lasting
- Enhanced finishing
- Color vibrancy
- Color accuracy
- Batch consistency

Base Colors

- Blue
- Light Red
- Medium Red
- Yellow
- Black

Beyond Earth Tones

Adding blue to the MasterColor spectrum offers expanded color options for distinctive architectural features, pool decks, patios, driveways, concrete furniture, interior floors and walls.

Concrete colors may vary based on application techniques and job site conditions.

Expert Color Support

Our design team stands ready to help with your color selection including custom sample colors for your review. Contact us at mastercolor@masterbuilders.com to schedule a consultation.
