

## Implementing partners:

The International Trade Centre (ITC) is a joint agency of the World Trade Organization and the United Nations. ITC assists small and medium-sized enterprises in developing and transition economies to become more competitive. Under the Tekki Fii Programme, ITC is implementing the Youth Empowerment Project (YEP).

For more information: visit [www.intracen.org](http://www.intracen.org)  
<http://www.yep.gm>

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) is a German development agency that provides services in the field of international cooperation for sustainable development. The Tekki Fii component implemented by GIZ International Services is targeting youth and youth-led small businesses through skills training and business development.

For more information: visit [www.giz.de/en/](http://www.giz.de/en/)

Instituto Marquês de Valle Flôr (IMVF) is a foundation for development and cooperation based in Lisbon. Established in the Gambia in 2018, IMVF is implementing a three-years' project targeting the youth and women of North Bank Region, Central River Region, Lower River Region and Upper River Region.

For more information: visit [www.imvf.org](http://www.imvf.org)

Enabel is the development agency of the Belgian federal government, implementing and coordinating Belgium's international development policy. Enabel's intervention in The Gambia through the Rural Infrastructure for Economic Growth is designed to support socioeconomic development and positive prospects for local populations and returning migrants.

## Government Partner:

The Program is led by the Government of The Gambia through the Ministry of Finance and Economic Affairs, working with businesses and development partners.

## About the Funder.

This project is funded by the European Union

The European Union Emergency Trust Fund for Africa (EUTF) supports all aspects of stability and contributes to addressing destabilization, forced displacement and irregular migration in particular by promoting resilience, economic and equal opportunities, security and development, and the improvement and implementation of planned and well-managed migration policies. The EUTF aims at improving living conditions in Africa. It seeks to help people live in a peaceful and stable environment, and to work in dignity.

## Tekki-Fii support areas.

The Tekki Fii program provides support to Gambian youth in the following areas:

- Skills development
- Entrepreneurship & business development
- Access to finance
- Social cohesion
- Sports for development

## Key sectors.

- Agribusiness
- Information and Communication Technologies
- Poultry
- Tourism and Creative Industries

## About Tekki-Fii.

The "Make it in The Gambia-Tekki Fii" is a 4-year programme that aims to improve economic development and future prospects for The Gambia's youth, including returning migrants, by promoting attractive employment and income opportunities.

Moreover, the objective is to support the Government to boost economic development with a focus on generating training, entrepreneurship, employment and access to finance opportunities for Gambians.

The Tekki Fii campaign is a movement by Gambians, for Gambians. It is about helping young people in the country to see the benefits of choosing to 'make it' at home

## Tekki Fii Objectives.

- Raise awareness among youth about how they can make a good living in The Gambia
- Improve and increase the social prospects and economic opportunities available to young Gambians
- Lead to long-term, brighter future prospects and social cohesion for young Gambians in the country

## Highlights.

**3,538** Youths supported through entrepreneurship programmes

**3,416** Youths supported through skills training

**532** Tekki Fii Grants disbursed

**701** MSMEs supported

**188** Returning migrants supported

**182,215** Gambian citizens reached through the Tekki Fii campaign
