

Title			Iya valley by foldable bikes			Region : Miyoshi City, Tokushima Prefecture		
Overview	Iya valley by foldable bikes		Available Languages	Available Languages	■ Japanese ■ English □ Chinese □ Other			
	Because of its steep mountain sides and unfavorable geography, Iya Valley, in the heart of Shikoku island, remains one of the most unexplored and somewhat inhospitable places in Japan. This makes it the ideal destination for nature lovers looking for pristine rivers, wild natural landscapes and Japanese traditional villages. The small foldable bikes you will be using during this tour are ideal to take you to the most scenic places as well as to be carried on local buses, in order to make the most of your time during the tour.
