EVENT AND COMPETITION RULES					
Article	Existing Rule	New Proposal	Reason for Proposal	Type	Input from
7.1.2 ■	<p>7.1.2 Carrying Rifles</p> <p>Rifles must be carried on the competitor's back, with the barrel pointing up. If the rifle becomes so damaged during the competition that it cannot be carried on the competitor's back, it must be safely carried in hand to the shooting range and then must be immediately exchanged for the team reserve rifle.</p>	<p>7.1.2 Carrying Rifles</p> <p>Rifles must be carried on the competitor's back with both arms in the rifle carrying harness and with the barrel pointing up. If the rifle becomes so damaged during the competition that it cannot be carried on the competitor's back, it must be safely carried in hand to the shooting range and then must be immediately exchanged for the team reserve rifle. Corrections of the carrying position need to be done immediately and in a controlled way.</p>	Specification		
8.4.1 ■	<p>8.4.1 Use of Shooting Sling and Arm Cuff</p> <p>Competitors are permitted to use a shooting sling and arm cuff in both the prone and standing positions.</p>	<p>8.4.1 Use of Shooting Sling and Arm Cuff</p> <p>Competitors are permitted to use a shooting sling and arm cuff in both the prone and standing positions. Alternative shooting aids must be approved by the technical committee for extraordinary circumstances.</p>	Specification		
8.5.2 ■	<p>8.5.2 Loading and Unloading</p> <p>After starting in a competition, it is forbidden to open the bolt or remove a magazine from the stock or magazine-well except when stopped on the shooting mat. Rifles may be loaded and unloaded only with the barrel pointing in the direction of the targets or up. Inserting a magazine containing bullets into the rifle is also part of the loading procedure. When moving from one shooting lane to another, competitors must first unload their rifle and place the rifle on their back in the normal carrying position.</p>	<p>8.5.2 Loading and Unloading</p> <p>After starting in a competition, it is forbidden to open the bolt or remove a magazine from the stock or magazine-well except when stopped on the shooting mat.
