		<p>b. Late start: If competitors are late to the start, they must start at the first possible opportunity as directed by the assistant starter, without obstructing other competitors and in addition penalty in acc. with Art. 11.3.1.b. Their start time will be recorded as the one on the start list.</p> <p>If their early or late start was due to force majeure, the Competition Jury will decide their start time.</p>			
8.3.3 	Competitors must ensure that no part of their body, clothing, materials or equipment protrudes over the 1.5 m red lines marking the shooting lane or the extension of those boundaries while shooting. Competitors must also ensure that their rifle muzzle extends over the firing line.	By taking their shooting position athletes are not allowed to disturb/obstruct other athletes on the mats next to them with any parts of their body or equipment. This applies also to the time during the shooting bout and when leaving afterward.		clarification	RWG
8.5.1 	<p>8.5.1 General</p> <p>When a rifle is brought into or is taken out of the stadium area, it must be in a case or a cover bag. Shooting is only permitted on the shooting range, during officially authorized times. Making rifle movements that might endanger others or the competitors themselves, or that may be perceived by others as dangerous, is forbidden. The rifle muzzle must be over the forward edge of the shooting ramp (firing line) from the beginning to the end of the shooting bout. When the range is open for shooting, no one is permitted to be forward of that line. TV crew members and photographers must take responsibility for their own safety if they enter this area. At all times, competitors will be responsible for the safety of their actions and rifles.</p>	<p>8.5.1 General</p> <p>When a rifle is brought into or is taken out of the stadium area, it must be in a case or a cover bag. Shooting is only permitted on the shooting range, during officially authorized times. Making rifle movements that might endanger others or the competitors themselves, or that may be perceived by others as dangerous, regardless of whether the rifle is loaded or not, is forbidden. Situations considered as safe are: carrying the rifle on the back or having the bolt open. The rifle muzzle must be over the forward edge of the shooting ramp (firing line) from the beginning to the end of the shooting bout. At no time while being on the mat it is allowed for the athlete to deliberately point the rifle muzzle towards him/herself or others. When the range is open for shooting, no one is permitted to be forward of that line. TV crew members and photographers must take responsibility for their own safety if they enter this area. At all times, competitors will be responsible for the safety of their actions and rifles.</p>	The “action” of T.Langer/BEL in Pokljuka last season created a lot of discussions and at the end of the day not a good/safe image for biathlon. A clear new wording addition does not hurt but will help to avoid such pictures in the future.	addition	FB
8.5.4 	<p>Removal of Rifle on the Range</p> <p>Competitors may not remove a strap of their rifle carrying harness from their shoulder before they have reached the shooting lane from which they will be shooting. They must cross the lane marking a line with both feet and lay both ski poles on the ground prior to removing their rifle from the carrying position.</p>	<p>Removal of Rifle on the Range</p> <p>Competitors may not remove a strap of their rifle carrying harness from their shoulder before they have reached the shooting lane/shooting mat from which they will be shooting.
