WHY ARE YOU RUNNING FOR THE IBU ATHLETES' COMMITTEE? *
<p>I think it is important that the athletes and the IBU work close together and that the athletes have a voice and can make their concerns heard and i would like to be part of this. I want to improve the biathlon sport, because i love this sport and want to make it even better. I am interested in the things that are going on besides the competitions.</p> <p>I am in the worldcup since 2014 and know a lot about this sport and i attended every athlete meeting that i could. I am in contact with the other athletes from my countries and also from other countries</p>
