FIS Para Snow Sports Athlete Registration and Licencing Programme

Dear President,
Dear Secretary General,
Dear Ski and Snowboard Friends,

The purpose of this letter is to formally commence the FIS Para Snow Sports athlete registration and licencing process for the 2022/2023 winter season.

The system for the NSAs to register and licence athletes for the 2022/2023 winter season (01 July 2022 to 30 June 2023) is now open.

The fee that is charged per athlete, per sport is CHF 100. The total amount for all licences per sport will be debited from the NSA Account at FIS at the end of the 2022/2023 winter season and each NSA will receive a detailed invoice.

The process of athlete registration and licencing is performed via the FIS Para Snow Sports Data Management System (FPDMS). For a step-by-step overview on the athlete registration and licencing please see the Athlete Registration and Licencing Manual that is available under the Para section of the FIS website - <https://www.fis-ski.com/en/para-snowsports/para-alpine/documents>.

Yours sincerely,

FIS Para Snow Sports
