BUDGET

- **320 000 €** - This budget includes 70 000 USD IOC findings

VISION

- Support of developing NFs with practical and theoretical knowledge about biathlon letting Athletes and Coaches improve their skills and competence for future participation in international competitions

OBJECTIVES

- Promotion of human resources in the host country
- Promotion of diversity and gender equality in sport
- Promotion of youth participation in biathlon
- Maintenance and improvement of the structure of the international training camps, taking into consideration the option of changing the hosting venue (mid-term planning) in some regions every other year to include more NFs in total
- Providing IBU-IOC assistance for national guidance and legacy in the respective hosting countries on the targeted continents
- Providing a combination of theory and practice in biathlon sport coaching as well as delivering organizational skills and guidance

GENERAL PRINCIPLES

- National Federations from **C&D category** are invited to participate with 1 Coach + 2 Athletes (Summer Camp) and 1 Coach + 4 Athletes (Winter Camp)
- We encourage to send **young coaches** (< 35 years) and preferably not the same coaches who participated in previous camps and coaches from IBU Academy
- **Athletes (age 15-23)** should know how to ski (rollerski) and shoot with a small-bore rifle
- **Registration** for the Camps via [IBU Scope](#) *(from 01 April 2023)*
- Accommodation and full board is **paid by IBU** as well as travel contributions for all participants
- **Please note:** NFs who registered to take part in the Camps and cancel their participation later than 1 week before Camp start will be excluded from the Camps for 1 year; NFs who arrive at the Camps with insufficient equipment will get a warning and will also be excluded for 1 year in case this happens twice
