

COVID-19 Information

IOC Camp Martell 27th November - 06th December 2021

➤ **General:**

All participants need to be fully vaccinated/recovered

Full vaccination means in concrete:

min. 14 days after the last dose of the respective vaccine has been injected

Recovered means in concrete:

Infection (documented by PCR result) within 28 days and 6 months prior to the camp.

IBU in principle accepts the following vaccines:

Biontec/Pfizer, AstraZeneca, Moderna, Janssen (Johnson&Johnson), Covishield, Sinovac, Sputnik V and any vaccine which is officially accepted/approved in the respective home country.

In the last case a state confirmation/detailed information about the vaccine (producer/exact name/description etc.) needs to be provided for evaluation by the Medical Advisory Group.

Travel/Entry to event hosting country: National regulations might differ and some vaccines might not be accepted (handled as un-vaccinated persons); situation might be similar with accommodation procedures acc. to national regulations. Please check those requirements:

<http://www.italia.it/en/useful-info/covid-19-updates-information-for-tourists.html>

Vaccination proof must be provided to the IBU with the camp's registration or alternatively already uploaded in the IBU Membercenter (respective participant's profile).

This strict protocol is necessary for the safety of all participants as common rooms will be used for theoretical and work out sessions, as well as for dining (breakfast/lunch/dinner). Especially so closely before the season any kind of infection risk must be minimized as much as possible.

NOTE: For the participation at the IBU Junior Cup the IBU Event Guidelines Covid19 apply:

<https://www.biathlonworld.com/about-ibu/inside-ibu/staysafe/>

Here also persons who are not fully vaccinated/recovered might participate following the "Test-protocol" (Annex 7).

BASIC REGULATIONS:

➤ **Distance**

The camp setup will fulfil the required governmental criteria with regards to distances and room sizes. We would like to strongly encourage you to avoid any avoidable close contacts like handshaking/hugging at any time and to remain a minimum distance of 1.5 m whenever possible.

➤ **Hygiene**

Please take care of proper hygiene measures:

- Regularly and thoroughly clean your hands with an alcohol-based hand sanitizer and/or wash them with soap and water
- Avoid touching your eyes, nose and mouth
- Cover your mouth and nose with your bent elbow or tissue when you cough or sneeze

➤ **Masks**

Wearing of face masks (medical/surgical/FFP2) is mandatory at any time **INDOORS** during the camp except:

1. In your own room
2. During meals when sitting at your own place
