

A4 Rounded Folder / 4mm Capacity Outside
Fits A4 paper Flat Size: 595 x 329mm

Place your design within **'Artwork' layer** and delete **'Guide' layer** once finished.

Failure to remove guide layer will result in template printing over artwork design.

Finished Size - This is the finished size of the product once cut.

Please ensure:

- Colour: CMYK (RGB will be converted)
- Fonts: Embedded or converted to outlines
- Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
- Accepted format: PDF (one file)

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once cut.

Aa Orientation - Place artwork the same way up as text shown for orientation to be correct once assembled.

Please upload **one PDF** including two copies of artwork - **one with cutter guide visible and one without.**
