Display Board A1 Front

594 x 841mm

Place your design within **'Artwork' layer** and **delete 'Guide' layer** once finished.
Failure to remove guide layer will result in template printing over artwork design.

Please ensure:
• Colour: CMYK (RGB will be converted)
• Fonts: Embeded or converted to outlines
• Image Resolution: 300dpi or higher
• Crop marks and 3mm bleed are included
• Accepted format: PDF (one file)

Please note **5mm drill holes will be drilled 18mm from edges to hole centre**. Ensure **orientation of artwork is supplied the right way up** for selected drill holes to be placed in the correct corners.

Finished Size - This is the finished size of the product once trimmed.

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.

Drill Hole Guide - These circles indicate where the 5mm holes will be drilled if selected as a finishing option. Please make sure text within your design does not overlap this area.
