 - Image Resolution: 300dpi or higher
 - Crop marks and 3mm bleed are included
 - Accepted format: PDF (one file)

Please upload a 1 page PDF with 'cut and crease' layer visible on top of your artwork.

 **Finished Size** - This is the finished size of the product once cut.

 **3mm Bleed** - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once cut.

 **Crease** - These lines will be creased to create folds. For best results do not place small text across these lines.
