25/26

UEFA AWAY SCHEME
APPLICATION FORM

UEFA AWAY MATCH TICKET SCHEME

Membership of the scheme, and all tickets issued to members of the scheme, are subject to the season ticket TeamCard, membership and match ticket Conditions of Issue ("the Conditions of Issue"), a copy of which is available at www.chelseafc.com/tickets/conditionsofissue. Any member of the scheme is a member for the purposes of those Conditions of Issue.

Initially, all existing supporters in the 2024/25 UEFA Away Match Scheme will be given an opportunity to renew before new applications are invited from any other season ticket holder/member, until the scheme reaches a capacity of 250 season ticket holders. We will also have 80 spaces for members to be part of this scheme. The scheme will have a maximum of 330 supporters in total. In addition there will be 21 spaces in total for disabled supporters.

Supporters in the UEFA Away Match Scheme will be given a priority period when they can purchase a ticket. Failure to purchase within this reservation period will not result in removal from the scheme, however a seat will no longer be guaranteed.

Supporters will then need to purchase in the relevant purchasing period (season ticket holders in the season ticket holder period and members in the member period). Tickets are sold subject to availability.

Supporters on the scheme can miss one match and will not be removed from the scheme. Supporters will be removed from the scheme if they do not collect the match tickets they have purchased from the ticket office or fail to purchase match tickets for two or more matches.

All tickets go on sale 28 days before the fixture.

When returning your application it is recommended that postal applications are returned by Royal Mail Special Delivery. Alternatively applications can be handed in at the ticket office in person.

Chelsea Football Club may (at its sole discretion and on a game by game basis as it sees fit): (a) post match tickets for away matches out to supporters at an extra cost; (b) require supporters to provide additional information, including by way of a ticket declaration form; and/or (c) require supporters to collect match tickets for away matches either from the Chelsea Football Club ticket office, with the fully completed declaration form, or from a designated location in the country where the away match is due to take place.

For information on the application deadlines, please visit www.chelseafc.com.

All tickets are subject to availability and the away club's terms and conditions.
