

M180L™ TRIPLE STACK SERIES

SURFACE MOUNT

M180L-R

The M180L™ Triple Stack provides the functionality of an intense warning light and a useful worklight to illuminate the scene. It utilizes three rows of LED lights to produce a bright, off-angle, 180° spread. The efficient design allows flexibility for multiple mounting options. Features include 29 flash patterns for single-color models, 69 flash patterns for dual-color models, steady burn and an IP67 rating.
