

# DIRECTIONALS LEDS

## CD3800 Series

### Surface Mount

The CD3801 and CD3802 directional LEDs are bright and versatile warning lights suited to a wide variety of applications. Their ultra-low profile makes them easy to install virtually anywhere on a vehicle and are 25% thinner than previous models. All products offer wide angle optics and multiple flash patterns, including synchronisation with other units for simultaneous or alternating operation. Each LED colour can be controlled independently. Features include clear lens and a black die cast base as well as a sync capability with Code 3's Chase™, MR6 and M180™ exterior lights.

### Design Features

- Sleek, low-profile design that allows for easy installation in a variety of locations
- 25% thinner than previous models
- Delivers a bright, powerful off-angle performance with its curved end optics
- Clear lens with 6 LED single-color, 12 LED dual-color and 18 LED tri-color
- Sync-capable with XTP, Chase™, MR6, M180™, MICROPAK, CD5051, HB12PAK and CD9215
- Multiple flash patterns with phase 1 and phase 2 syncing capabilities
- Aluminum housing and polycarbonate lens
