INDUSTRY LEADING BEACONS: A VERSATILE SOLUTION

Introducing the **ECCOLED Silver Beacon Series**—your versatile solution for all your warning safety needs. This range offers high-specification beacons designed to meet demanding application requirements with superior performance and durability.

Each beacon in the **ECCOLED** Silver series is engineered for long-lasting reliability in real-world conditions. Choose from three mounting options to suit your setup: **3-bolt mount, 1-bolt flexi mount, and mini DIN-mount**.

Also available in a range of alternative colours, the **ECCOLED Silver Beacon Series** delivers premium quality and adaptability for every application.

400 SERIES
LED Beacon

3 YEAR NO-HASSLE WARRANTY

BE SEEN CLEARLY

The 400 Series Premium 3-bolt LED Beacon features 12 powerful LEDs for a 360° flash pattern at 125FPM, ensuring maximum visibility. It combines long-lasting, maintenance-free LED technology with a durable, rugged housing.

- Best seller!
- ECE R65 & R10 compliant
- Multiple flash patterns for versatility
- High-intensity for maximum visibility
- Rugged, tough housing design
- Proven durability through extensive testing
- Highly resistant to vibration
- Alternative mounting options available
