13 SERIES

R65 LED LIGHTBAR

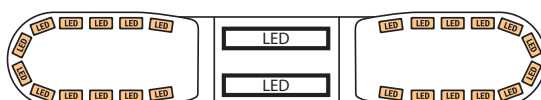

ECCOESG.CO.UK

Introducing the **EXPANDED** range of 13 Series R65 LED Lightbars from ECCO with **NEW** centre illumination

The 13 Series R65 LED Lightbar is one of the most popular in the ECCO range thanks to its performance, durability and **R65 Class 1** approval. This range is robust and compact in a popular housing design. It is available in four standard length options with either clear or amber lenses to suit all needs. The range is compatible with the simple to use, plug-and-play EZ0006 controller, which is easy to install and controls 10 flash patterns.

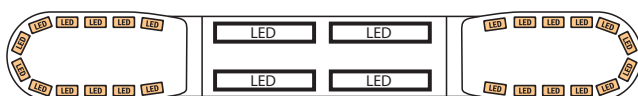

All of our lightbars are designed and manufactured in the UK. The 13 Series is backed by a 5 year warranty and is suitable for a variety of vehicles including large vehicles, recovery trucks, fleets and highway maintenance.

Amber lens option available for all configurations

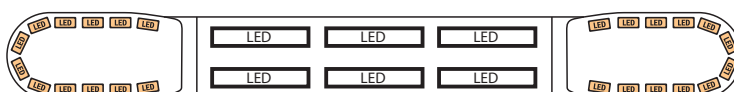

1000mm
