

PLANT A PROMISE

Earth Day is more than a moment
— it's a movement.

“If we put energy into cultivating our own well-being, we are, in turn, cultivating our care for the planet. When we plant a garden, we plant a narrative of future possibilities. It’s an action of hope.”

– Donna Letier, Gardenuity CEO

Host a gardening event, virtually or in person, and grow something meaningful to celebrate Earth Day.

Each participant will receive a complete garden kit prior to the workshop, and together, we will cultivate a culture of personal wellness and the wellness of the plant.

For each garden sent to your organization, Gardenuity will donate a tree in honor of your employees to **One Tree Planted**.

EARTH DAY WORKSHOPS

In Person or Virtual
