

EARTH DAY OUTPOST

Invest in our Planet by Investing in your People.

Invite your tenants, employees, and customers to celebrate Earth Day with you and grow your connections, community, and impact on the planet.

Earth Day is your opportunity to educate and impact your community, raise awareness about your sustainability goals, and get buy-in from every level of your corporate hierarchy to reach your sustainability goals.

OUTPOST PLATFORM

Invite employees, customers, and colleagues to pick up a complete garden at your location. For remote workers, complete gardens can be mailed directly from Gardenuity ensuring everyone on your list has an opportunity to make an impact.

IMPACT GARDEN PARTY

Host an Earth Day Planting Event on site for your people. Gardenuity can lead the event. Celebrate Earth Day with your people and their people wherever they live, work and play. Complete gardens can be sent out to your entire list and everyone can join in on the virtual Earth Day planting event.

GROW ONE, GIVE ONE

Let your people plant a garden to give and one to grow. Gift the gardens to your favorite school.

Every Gardenuity Earth Day program includes:

\$0 delivery fee on all gardens

Complete customized patio or desktop gardens

Seamless program coordination

Drive traffic and community to your brand

No minimum orders
