

VIRTUAL ACCOUNTHOLDER AGREEMENT IMPORTANT – PLEASE READ CAREFULLY

Terms and Conditions/Definitions for the Vanilla eReward Visa® Virtual Account

This document constitutes the agreement (“Agreement”) between you and The Bancorp Bank, Wilmington, Delaware (“The Bancorp Bank”) outlining the terms and conditions under which the Virtual Account has been issued. By accepting and using the Virtual Account, you agree to be bound by the terms and conditions contained in this Agreement. “Virtual Account” means the Vanilla eReward Visa Virtual Account issued to you by The Bancorp Bank. Virtual Account also means the records we maintain to account for the value of claims associated with the Virtual Account. “Issuer” means The Bancorp Bank or its depository affiliate. The Issuer is an FDIC insured member institution. “You” and “your” mean the person or persons who have received the Virtual Account and are authorized to use the Virtual Account as provided for in this Agreement. “We,” “us,” and “our” mean the Issuer, our successors, affiliates or assignees. InComm Financial Services, Inc., P.O. Box 826, Fortson, Georgia 31808, is the entity managing the Virtual Account (“Program Manager”). You acknowledge and agree that the value available in the Virtual Account is limited to the funds that have been loaded to the Virtual Account on your behalf. The Virtual Account is a prepaid account. You have received this Virtual Account as a gratuity without the payment of any monetary value or consideration. You are not the owner of the Virtual Account or the funds underlying the Virtual Account. Your failure to activate and use the Virtual Account results in the loss of all right, title and interest in the Virtual Account and the underlying funds. The Virtual Account is not connected in any way to any other account. The Virtual Account is not a credit account and is not for resale. You will not receive any interest on the funds in the Virtual Account. The Virtual Account will remain the property of the Issuer and must be surrendered upon demand. The Virtual Account is nontransferable and it may be canceled, repossessed, or revoked at any time without prior notice subject to applicable law. The Virtual Account is not designed for business use, and we may close the Virtual Account if we determine that it is being used for business purposes. We may refuse to process any transaction that we believe may violate the terms of this Agreement.

Our business days are Monday through Friday, excluding federal holidays, even if we are open. Any references to “days” found in this Agreement are calendar days unless indicated otherwise.

Write down the Virtual Account number and the customer service phone number provided in this Agreement on a separate piece of paper in case the Virtual Account number is lost, stolen, or destroyed. Keep the paper in a safe place. Please read this Agreement carefully and keep it for future reference.

Activate The Virtual Account

The Virtual Account will be active when you receive it. You may begin using the Virtual Account immediately upon receipt.

Choosing A Personal Identification Number

When you first use the Virtual Account, any four-digit code will work as the initial Personal Identification Number (“PIN”) for the first PIN-based transaction. After the first PIN-based transaction, you must use the same PIN for each subsequent PIN-based transaction, unless and until you choose to reset the PIN as described below in the section labeled, “Resetting The PIN.” Choose a PIN that you can remember easily – but avoid using obvious numbers like “1234” or “5555.”

Resetting The PIN

If you need to reset the Virtual Account PIN, please visit VanillaEReward.com or call 1-844-244-9758. By visiting this website or calling Customer Service, you may deactivate the Virtual Account PIN. You will be required to provide information about the Virtual Account (the account number, expiration date and security code) to reset the PIN. You may then select a new four-digit PIN during the next PIN-based transaction.

Authorized Virtual Account Users

You are responsible for all authorized transactions initiated and fees incurred by use of the Virtual Account. If you permit another person to have access to the Virtual Account, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of the Virtual Account according to the terms and conditions of this Agreement.

Secondary Virtual Accountholder

You may not request an additional Virtual Account for another person.

Your Representations and Warranties

By activating the Virtual Account or by retaining, using or authorizing the use of the Virtual Account, you represent and warrant to us that: (i) you are at least 18 years of age (or older if you reside in a state where the majority age is older); (ii) you are a U.S. citizen or legal alien residing in the fifty (50) states of the United States (“U.S.”) or the District of Columbia; (iii) you have provided us with a verifiable U.S. street address (not a P.O. Box); (iv) the personal information that you provide to us in connection with the Virtual Account is true, correct and complete; (v) you received a copy of this Agreement and agree to be bound by and to comply with its terms; and (vi) you accept the Virtual Account.

Cash Access

Because you will not receive a card, you may not use the Virtual Account to obtain cash from an Automated Teller Machine (“ATM”) Point-of-Sale (“POS”) device or by any other means.

Loading The Virtual Account

You may not load funds to the Virtual Account. Only the Program Manager may load funds to the Virtual Account. You will have access to the funds within twenty-four (24) hours after the Virtual Account is loaded. The Virtual Account is not reloadable after the initial loading. Personal checks, cashier’s checks, and money orders sent to the Issuer are not an acceptable form of loading. All checks and money orders sent to the Issuer for Virtual Account loading will be returned unless the full amount may be applied towards a negative balance, in which case the check or money order may or may not be loaded to the Virtual Account at the discretion of the Issuer.

The maximum value of the Virtual Account is restricted to \$1,000.00. These are the limits associated with loading the Virtual Account:

Transaction Type	Frequency and/or Dollar Limits
Load from Program Manager	Card is Non Reloadable \$5.00 up to \$1,000.00

Preauthorized Transfers

The Virtual Account cannot be used for preauthorized direct debits from merchants, Internet service or other utility service providers. If presented for payment, preauthorized direct debits will be declined and payment to the merchant or provider will not be made. You are not authorized to provide the combination of the Issuer’s bank routing number and the Virtual Account number to anyone.

Using The Virtual Account/Features

The maximum value of the Virtual Account is restricted to \$1,000.00. These are the maximum amounts that can be spent on the Virtual Account:

Transaction Type	Frequency and/or Dollar Limits
Virtual Account Purchases (Signature)	No limit to the number of times per day, \$1,000.00 per transaction, up to \$1,000.00 per day
Virtual Account Purchases (PIN)	No limit to the number of times per day, \$1,000.00 per transaction, up to \$1,000.00 per day

You may use the Virtual Account to purchase or lease goods or services in the fifty (50) states of the United States (“U.S.”) and the District of Columbia online, by mail, or telephone everywhere Visa debit cards are accepted as long as you do not exceed the available value of the Virtual Account. The Virtual Account may not be used outside the U.S. and the District of Columbia, including Internet and mail or telephone order merchants outside the U.S. and the District of Columbia. Some merchants do not allow Virtual Account holders to conduct split transactions where you use the Virtual Account as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Virtual Account to the Virtual Account. You must then arrange to pay the difference using another payment method. If you fail to inform the merchant that you would like to complete a split transaction, the Virtual Account is likely to be declined.

When you use the Virtual Account to pay for goods or services, certain merchants (such as car rental companies, restaurants, and hotels) may ask us to authorize the transaction in advance and may estimate its final value up to twenty (20%) more to cover any tip or gratuity that you may add. When we preauthorize a transaction, we commit to make the requested funds available when the transaction finally settles and may place a temporary hold on the Virtual Account funds for the amount indicated by the merchant (which may be more than the final settled transaction amount). We also may add an amount for certain merchants to ensure that sufficient funds will be available to cover the final transaction. Certain merchants that authorize high dollar amounts, e.g., rental car companies and hotels, may cause an “authorization” or “hold” on the available balance for up to thirty (30) days. Until the transaction finally settles or we determine it is unlikely to be processed, the funds subject to the hold will not be available to you for other purposes. We will only charge the Virtual Account for the correct amount of the final transaction, however, and will release the hold on any excess amount when the transaction finally settles.

You do not have the right to stop payment on any purchase or payment transaction originated by use of the Virtual Account. You may not make preauthorized regular payments from the Virtual Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days..

For security reasons, we may limit the amount or number of transactions you can make on the Virtual Account. The Virtual Account cannot be redeemed for cash. You may not use the Virtual Account for online gambling or any illegal transaction.

Each time you use the Virtual Account, you authorize us to reduce the available value of the Virtual Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in the Virtual Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the available balance of funds on the Virtual Account, you shall remain fully liable to us for the amount of the transaction and any fees, if applicable.

Non-Visa Debit Transactions

New procedures are in effect that may impact you when you use the Virtual Account at certain merchant locations. In the past, transactions have been processed as Visa debit transactions unless you entered a PIN. Now, if you do not enter a PIN, transactions may be processed as either a Visa debit transaction or as a PULSE transaction.

Merchants are responsible for and must provide you with a clear way of choosing to make a Visa debit transaction if they support the option. Please be advised that should you choose to use the PULSE network when making a transaction without a PIN, different terms may apply. Certain protections and rights applicable only to Visa debit transactions as described in this Agreement will not apply to transactions processed on the PULSE network. Please refer to the paragraph labeled “Your Liability for Unauthorized Transfers” for a description of these rights and protections applicable to Visa debit and non-Visa debit transactions.

To initiate a Visa debit transaction at the POS for a mail order, telephone or Internet purchase, provide the 16-digit Virtual Account number to the merchant. To initiate a non-Visa debit transaction at the POS, provide the 16-digit Virtual Account number after clearly indicating a preference to route the transaction as a non-Visa debit transaction for certain bill payment, mail order, telephone, or Internet purchases.

Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with the Virtual Account, you agree to accept credits to the Virtual Account for such refunds and agree to the refund policy of that merchant. Neither the Issuer nor Program Manager is responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with the Virtual Account. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided.

Virtual Account Replacement

If you need to replace the Virtual Account for any reason, please contact 1-844-244-9758 to request a replacement Virtual Account number. You will be required to provide personal information which may include the 16-digit Virtual Account number, your full name, transaction history, copies of accepted identification, etc.

Expiration

The Virtual Account will expire no sooner than six (6) months from the date it was issued. **The funds expire when the Virtual Account expires.** You will not be able to use the Virtual Account after the expiration date. The Virtual Account may not be replaced after the expiration date. If you need a replacement Virtual Account number for any reason other than the Virtual Account’s expiration, you may request one at any time.

Transactions Made In Foreign Currencies

The Virtual Account may only be used within the fifty (50) U.S. states and the District of Columbia.

Receipts

You should get a receipt at the time you make a transaction using the Virtual Account. You agree to retain, verify, and reconcile your transactions and receipts.

Virtual Account Balance/Transaction History

You are responsible for keeping track of the available balance of the Virtual Account. Merchants generally will not be able to determine the available balance. It's important to know the available balance before making any transaction. You may obtain information about the amount of money remaining in the Virtual Account by calling 1-844-244-9758. This information, along with a sixty (60) day history of Virtual Account transactions, is also available online at VanillaEReward.com. You also have a right to obtain a sixty (60) day written history of Virtual Account transactions by calling 1-844-244-9758 or by writing to VanillaEReward.com.

You will not automatically receive paper statements.

Fee Schedule

There are no fees associated with the Vanilla eReward Visa Virtual Account.

Under Visa U.S.A. Inc. Operating Regulations, your liability for unauthorized Visa debit transactions on the Virtual Account is \$0.00 if you are not grossly negligent or fraudulent in the handling of the Virtual Account. This reduced liability does not apply to certain commercial Virtual Account transactions, transactions not processed by Visa, or to ATM transactions outside the U.S. You must notify us immediately of any unauthorized use.

If the Virtual Account number has been lost or stolen, we will close the Virtual Account to keep losses down losses down and will send a replacement Virtual Account number.
