15 About ARAG

Welcome

Thank **you** for purchasing this policy.

This cover can only be selected alongside a **John Lewis Money** Home Insurance policy. It is not available as a standalone purchase through **John Lewis Money**.

To make sure **you** get the most from **your** cover, please take time to read this policy wording. It explains what **you**'re covered for, when **ARAG** can help in an emergency, and how **John Lewis Money** can help with general policy administration.

How to claim

Before making a claim, please check this policy wording to confirm when **we** can help and what **you**'re covered for.

Then call **ARAG** on **0800 652 0259**. **You**'ll be asked to confirm:

- **Your** name and home address, including postcode
- The nature of the problem

Our phone lines are open 24 hours a day, 365 days a year. To help **us** check and improve **our** service standards, **we** may record all calls.

Please do not arrange for a contractor yourself, as **we** won't pay for any work that **we** haven't agreed to in advance. Please also ensure someone aged 18 or over is at **home** when the contractor arrives.

Words shown in **bold** have special meaning and **you** can find the definitions on page 12 of this document.

Our agreement

This policy and the policy schedule, provided via **John Lewis Money**, shall be read together as one document and describe the contract between **you** and **us (ARAG)**.

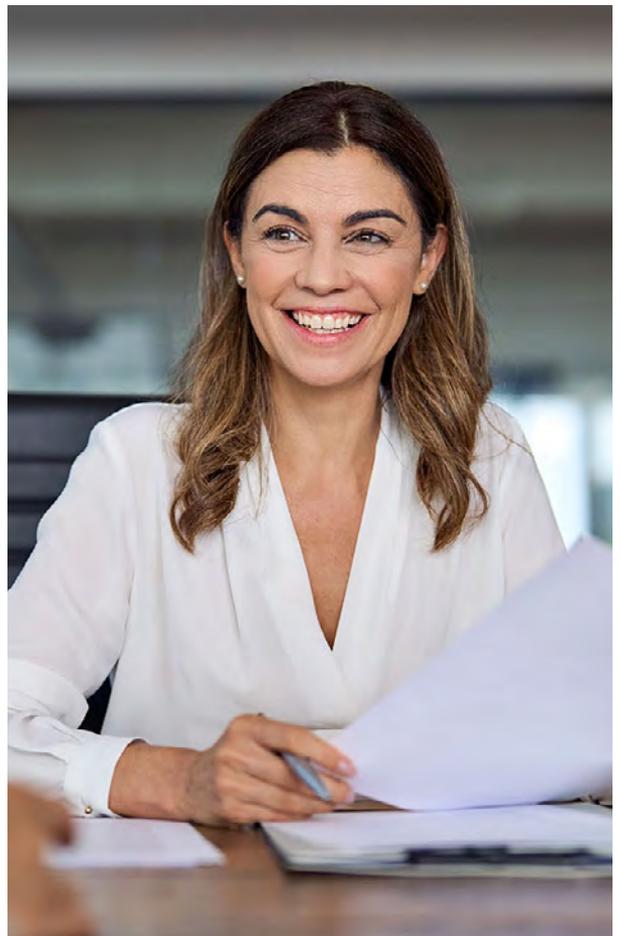

We agree to cover the costs of the assistance described in this policy in respect of the insured events on page 6, in return for payment of the premium and subject to the terms, conditions, exclusions and limitations set out in this policy provided that:

1. the insured event is sudden, unexpected and requires immediate corrective action to:
 - a) prevent damage or further damage to **your home**; or
 - b) make **your home** secure; or
 - c) reduce any health risk to an **insured person**.

A gradually occurring event is not considered an emergency as it is not sudden or unexpected.

2. the insured event happens during the **period of insurance** and within the United Kingdom of Great Britain and Northern Ireland, the Isle of Man or the Channel Islands.

If **we** are unable to cover **your** claim, **we** will try (if **you** wish) to arrange assistance at **your** expense. The terms of such a service are a matter for **you** and the supplier.

Important information

Your Home Emergency policy includes everything **you** need to know about the cover **we** provide. Keep this document somewhere safe because **you**'ll need it in an emergency.

How to claim

To claim under **your** policy, please check the information below, which tells **you** when **we** can help and what **you**'re covered for, then phone **ARAG** on **0800 652 0259**. **We** will ask **you** to confirm:

- **your** name and **your home** address including postcode
- the nature of the problem.

Our phone lines are open 24 hours a day, 365 days a year. To help **us** check and improve **our** service standards, **we** may record all calls.

We ask that **you** don't arrange for a contractor yourself because **we** won't pay for this or for any work that **we** haven't agreed to in advance. Also, please make sure there is someone aged 18 or over at **home** when **our** contractor arrives.

How we can help

Once **you**'ve checked that **your** emergency is an insured event, it's important that **you** tell **us** about it as soon as **you** can. If **we** accept **your** claim, **we** will arrange and pay for a contractor to resolve the insured event taking into account what would be fair and reasonable in the circumstances. **We** will either:

- i) carry out a temporary repair (or a permanent repair if this is no more expensive); or
- ii) take other action, such as isolating a leaking component or gaining access to **your home**.

At all times **we** will decide the best way of providing help.

What we will pay

1. **We** will arrange and pay for a contractor to take action up to the **emergency assistance limit** for each insured event.
2. If **your home** remains uninhabitable overnight following an insured event, **we** will reimburse **you** for **hotel accommodation**. **You** must send **us** all relevant invoice(s) before **we** will reimburse **you**. The decision on whether **your home** is uninhabitable will take into account whether it would be fair and reasonable for **you** to remain in **your home**.

What we won't pay

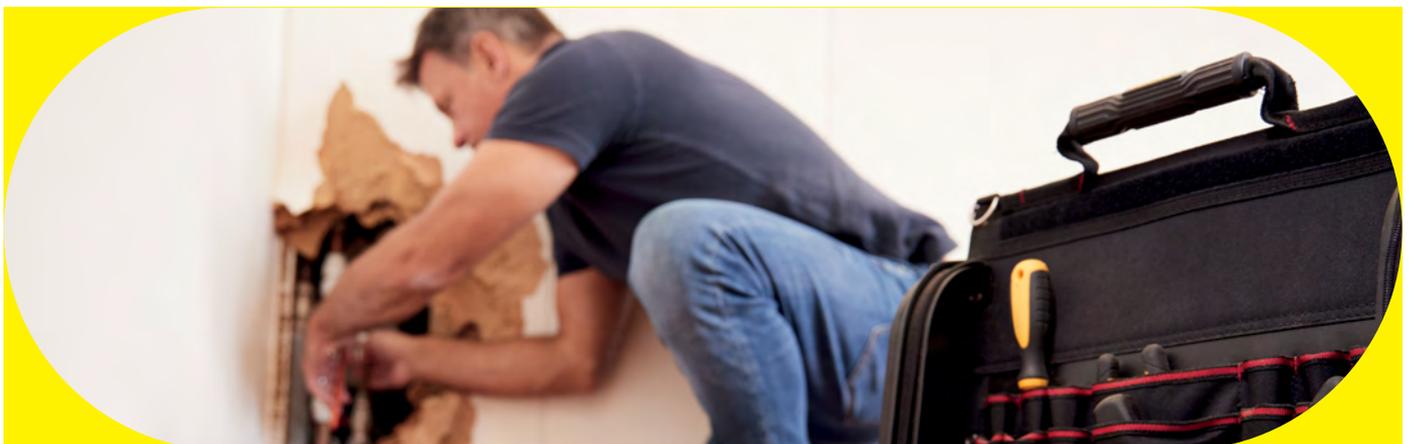

1. Any costs over and above the **emergency assistance limit**.
2. Any costs of overnight accommodation over and above the amount shown under **hotel accommodation** (please see **The meaning of words in this policy** on page 12).

When we can't help

- **You** should immediately contact the fire, ambulance or police service in a situation that could result in serious risk to **you** or substantial damage to **your home**.
- If **you** think there is a gas leak, **you** should contact the National Gas Emergency Service on **0800 111 999**.
- If there is an emergency relating to a service such as the mains water or electricity supply, **you** should contact **your** supplier.

We will always try to get to **you** as soon as possible but sometimes it may take **us** longer than **we** would like because the weather is bad, **you** are in a remote location or parts needed to complete the repair are unavailable.

If providing help would put **our** contractors in danger, for example carrying out roof repairs in high winds or repairing damp electrics, **we** will wait until the conditions have improved before sending someone out.
