HELPFUL HINTS

Leaving your home unoccupied (from weekends away to extended periods)

- **Firstly, it is important that you let us know if your home will be unoccupied for over 60 days. Some covers under your policy will not be in place if your home is empty for over 60 days**
- Turn off the water supply at the stopcock
- Leave your heating at a minimum 10 degrees centigrade during the colder months
- Open your loft hatch(es) for warm air to circulate
- Check any leak detection/prevention devices are in full working order
- Keep your mirrors out of direct sunlight
- Turn off all electric devices at the socket before leaving, with the exception of items such as your fridge, freezer, central heating system and internet router
- Make sure that you have the helpline and how to make a claim contact numbers handy in case you need them
- Make sure your home is secure with all windows and doors locked with keys removed
- Make sure that your leak detection and prevention devices, intruder and fire alarms are active
- Keep internal lights on times to give the impression of the property being occupied.

Avoid being a victim of crime

Most household burglaries are committed by opportunists. By taking some relatively simple steps you can decrease the chances of a break-in and make your home safer

- Ensure that locks are installed on all windows and doors and that even if the property is occupied, ground floor windows and doors are locked where possible with keys removed
- Secure outbuildings using a hasp and staple with a closed shackle padlock
- Consider installing an alarm at your home to increase security and ensure that the system is active overnight or when your home is unoccupied. Centrally monitored alarms will ensure that notifications are issued to you, your key holders and Security Company should your alarm be activated. Vibration sensors can be fitted wirelessly to doors and windows which can activate the alarm before entry is gained
- Replacing old alarm boxes and keeping fencing and gates in good order demonstrates that security at your home is taken seriously and may deter opportunistic thieves
- Gravel driveways, motion triggered security lighting and time switches for internal lights are additional deterrents
- Always keep your cash, keys, credit cards and portable, high risk items out of sight
- Lock bicycles securely to a permanent structure when away from your home
- Beware of bogus callers and don't allow anyone to enter your home without first confirming their identity.

Dealing with burst pipes and leaks

Reduce the risk of burst pipes and leaks by:

- Leaving the heating at a minimum of 10°C
- Opening the loft hatches in your home so warm air can circulate to help prevent freezing in cold weather spells
- Insulating all pipes and water tanks including those outside of the heated areas of your home, such as attic and roof spaces
- Making sure you can locate your mains water supply and that you know how to turn it off
- Turning off the water supply to outside taps
- Having emergency contact details readily to hand.

HELPFUL HINTS

Storms & storm damage

The ABI (Association of British Insurers) define a storm as:

- Wind speeds with gusts of at least 48 knots (55mph, equivalent to Storm Force 10 on the Beaufort Scale); or
- Torrential rainfall at a rate of at least 25mm per hour; or
- Snow to a depth of at least one foot (30 cm) in 24 hours; or
- Hail of such intensity that it causes damage to hard surfaces or breaks glass.

Storms can cause considerable damage to your home, but by taking a few simple steps when bad weather has been forecast you can reduce the extent of damage caused. The following are some examples of the things you can do to protect your home:

- Regularly check the condition of all roofs including garages, sheds and flat roofs for signs of wear and tear
- Keep gutters, gullies and drains clear to carry water away quickly and efficiently
- Clear away any loose items from your garden to ensure there is nothing that could be carried away by high winds during the storm and damage your home
- Move any portable outdoor furniture, or other unsecured items that could cause damage if blown around by high winds, to an outbuilding or secure them to a permanent fixed structure
- Ensure that all doors and windows are closed and securely fastened
- Be mindful of low hanging tree branches which could cause damage in high winds and check the trees within your garden and estate for any visible damage following a storm which may require maintenance.

Please note that not all damage to your home caused by storm is covered under this policy such as damage to fences, hedges, or gates other than electrically operated gates.

Flood advice

- Be aware of Met Office / Environmental Agency warnings
- If there is a risk of flooding, try to move as many possessions into upstairs rooms as possible
- If you have been flooded, don't enter your property until the mains electricity has been turned off and never use electrical appliances that may be wet
- Gas can get trapped in a building after a flood, so use a battery powered torch and never use open flames to see your way.

Caring for your valuables

- Keep your jewellery and watches in a professionally installed safe when not being worn
- Take photographs of your valuables. Should the worst happen, having photographs could assist at claims stage to prove ownership and assist in recovery or replacement
- Ensure that your jewellery and watches are professionally valued by a National Association of Jewellers www.naj.co.uk valuer at least every 5 years and that you have adequate insurance cover in place. Valuations from other sources may not be reliable if the valuer does not hold the relevant qualifications or expertise
- Have your jewellery and watches checked regularly to ensure any clasps, settings and straps are maintained in good working order
- Protect your fine art against extreme or fluctuating heat and humidity by securely hanging out of direct sunlight and away from radiators or air conditioning outlets
- Avoid displaying your fine art and antiques directly under bathrooms or ensembles to protect against the risk of water damage from leaking pipes or fittings
- Always use professional removal companies when transporting your art and antiques.

HELPFUL HINTS

Fire Prevention and Safety

- Smoke detectors are important safety devices. Fit detectors in prominent places on each floor of your home including within proximity to bedrooms and check the batteries on a regular basis
- Ensure that you have a fire escape plan and share with all occupants of your home. Purchase escape ladders if suitable for your property
- Have the chimneys swept regularly and if you have open fires always use a fireguard
- Never leave hot fat or oil when cooking. If a pan does catch fire, cover it with a fire blanket or damp cloth – do not put water on it
- Gas appliances should be serviced regularly by a Gas Safe registered engineer
- Do not tape up worn electric cables as they can be dangerous and should always be repaired
- Be careful not to overload sockets. You should fit no more than one plug per socket; use an extension lead if you need to fit more
- Ensure that smoking materials are properly extinguished/discarded
- Never leave candles or oil burners unattended and ensure that they are extinguished before you go to bed
- Do not leave phones or other personal electrical devices charging overnight and ensure that charging cables are purchased via manufacturer approved stockists
- Empty fluff regularly from tumble dryers in line with manufacturer's instructions
- Only purchase electrical appliances which have a British or European Safety mark
- Keep your mirrors out of direct sunlight to avoid reflections which could cause your soft furnishings to catch fire.

Staying safe online

- Install anti-virus software on all devices and keep it up to date
- Ensure that your systems and software are kept up to date with the latest versions and software updates
- Back up your data on a regular basis. This will allow recovery should your data be lost or stolen
- Most web browsers offer the ability to block pop-up windows from appearing. Switching off pop ups can protect against harmful ones
- Always check both privacy settings and parental controls on all of your home and mobile devices
- Be vigilant and suspicious of unexpected email requesting personal information or bank details and never click on links or attachments unless you are sure that you trust the source
- Exercise caution when paying invoices received by email and check bank details to ensure that they are correct. Emails can be hacked and details can be changed without you knowing
- Banks or similar organisations will not ask for your PIN numbers or full passwords. If you are in any doubt, contact the organisation directly to check if a communication is genuine. Do not use telephone numbers or links contained within emails
- Don't use the same passwords for every account. Steer clear of personal or easily identifiable passwords such as dates of birth or family names and ensure that you are changing your passwords regularly
- To assist in maintaining the security of your email accounts, take care when responding to requests to verify your login credentials for email accounts. Some links can redirect you to a legitimate looking screen which will collect your username and password credentials.

GENERAL CONDITIONS

Please make sure you read this section

Your agreement with us

The following documents form the contract between **you** and **us**:

- this policy booklet
- **your schedule** and any endorsements
- **your** statement of fact.

These documents should be read together and kept in a safe place. **Your** policy booklet and **schedule** will outline the cover available to **you**, **your** premium and **period of insurance**.

Before **you** took out this policy, **you** provided **us** with answers to a number of questions. **Your** answers are recorded in **your schedule** and statement of fact documents, which will have been sent to **you**:

- before accepting the insurance
- at the start of **your** first **period of insurance**
- following any mid-term adjustments
- at each annual renewal.

It is important that the answers to these questions were provided honestly, having taken reasonable care and to the best of **your** knowledge.

You will need to carefully check **your schedule** and statement of fact to make sure that all details are correct.

Changes in risk

It's important **you** keep **us** up to date with any changes that may affect **your** insurance policy. The information **you** gave **us** when **you** took out **your** policy is contained within **your** statement of fact. If any of this information is incorrect or has changed, **you** need to get in touch with **us** or **your** insurance broker or advisor. If **you** don't, it could mean that **your** policy is no longer valid.

Some examples of things **we** need to know about are:

- any change to the occupancy of **your home** or if it is to be left **unoccupied** for a period of more than 60 consecutive days
- if **you** or anyone living with **you**:
 - have been convicted of any criminal offence (other than a motoring conviction or if it is deemed to be spent under the Rehabilitation of Offenders Act) or have any such prosecution pending;

 - have changed **your** occupation or profession within the last 12 months. Please refer to **your** statement of fact

- if the sums **insured** shown in **your schedule** do not accurately reflect the full replacement cost of **your buildings, contents, art and antiques or jewellery and watches**.

GENERAL CONDITIONS

Changes in risk

(continued)

These are just some examples and there may be other circumstances **we** would want **you** to tell **us** about. **We** reserve the right to decline cover or to change the premium and terms of this policy if **you** change any of the information contained within **your schedule** or statement of fact. Please tell **us**, as soon as possible, if there are any changes to any of the details that are shown within **your schedule** or statement of fact. If **you** are in any doubt please contact **us** directly as a failure to notify **us** of any such changes could lead to **your** policy being cancelled, or a claim rejected or not fully paid.

We recommend that **you** keep a copy or a record of all information **you** give to **us**.

Misrepresentation/Non-Disclosure

Should **we** discover that any information **you** have provided is inaccurate, false, incomplete or misleading **we** reserve the right under the Consumer Insurance (Disclosure and Representations) Act 2012 to either cancel **your** policy or amend terms either from inception or from when **you** failed to disclose the correct information. This is on the grounds **we** would not have offered cover or would not have offered cover on the existing terms had the correct information been disclosed. Where this is the case, **we** also reserve the right to decline any claims and recover from **you** any monies paid.

Claim conditions

In the event of a claim or possible claim **you** must:

- advise the police as soon as possible if there has been theft, attempted theft, riot **damage**, vandalism or any malicious act or if any **insured** property has been lost outside **your home**

We will pay for any expenses **you** necessarily incur, subject to **our** prior consent and approval, in providing **us** with any of the above.

We believe everyone should feel safe and be treated with respect, including while at work.

We reserve the right to deal directly with **you** regarding **your** claim, and stop contact with **your** loss assessor if **we** decide they have acted in a way that is threatening or abusive to **our** staff or suppliers. For example threats of violence, swearing, comments about race, sexuality or gender.

Compliance with terms

The **Company's** liability to make any payment under the policy is conditional upon **your** compliance with the terms and conditions of the policy.

Duty of care

You and **your family** must take all reasonable steps to prevent loss, **damage**, accident or **bodily injury** and to maintain the property **insured** in a good state of repair.

GENERAL CONDITIONS

Theft security

In the event of a theft or attempted theft from **your home**, **you** must take such reasonable extra precautions to improve the physical security of **your home** as **we** consider necessary. If **you** do not implement these improvements, **we** may exercise **our** right to discontinue theft cover.

Rights

We are entitled to enter any building where loss or **damage** to property **insured** by this policy has occurred and to take possession of and deal with any salvage as **we** consider appropriate.

Subrogation

This means that **we** may take over and deal with, in **your** name, the defence or settlement of any claim. **We** will pay any costs and expenses involved. **We** may also start proceedings in **your** name to recover, for **our** benefit, the amount of any event **insured** under this policy.

Fraud

We work with the police, other insurance companies, fraud reference and detection agencies and other representative bodies to prevent and detect fraudulent or exaggerated claims. **We** may also use commercially available databases to check **your** identity to prevent money laundering, unless **you** provide **us** with satisfactory proof of identity. Other companies may contact these bodies for information to help them make decisions about insurance or similar services they provide to **you**.

If any claim is fraudulent in any respect, or fraudulent means are used to obtain benefit under this policy, or if any **damage** is caused by the wilful act or with the connivance of **you** or **your family** or anyone acting on **your** or their behalf, all benefits under this policy will be forfeited from the date of the incident or circumstances in respect of which the fraudulent claim is made.

Other insurance

We will not pay for any loss, **damage**, legal liability or other event giving rise to a claim covered under this policy if **you** are entitled to be paid by any other insurance which covers the same loss, **damage**, legal liability or other event.

Sanctions

No cover is provided and **we** will not be liable to make any payment or provide any benefit under this policy where doing so would breach any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, United States of America or European Union. Where any such prohibition or restriction applies **we** retain the right to cancel this policy immediately, in that event **you** may be entitled to a pro-rata refund of the premium, providing that any payment or refund does not breach any prohibition or restriction imposed by law.
