

Change it Up

Change It Up is an easy way to grow your savings effortlessly! We'll automatically round up any debit card purchases you make to the nearest dollar, with the difference deposited directly to build your savings or pay down a loan. You can also round up each debit transaction by additional dollar increments up to \$5.00. Change It Up transactions won't cause you to overdraft, and you can update your enrollment at any time

How To Enroll on the FAIRWINDS App

1. Sign in to the *FAIRWINDS* mobile app.
2. Once you are on your accounts screen, select the **"More"** tab on the bottom right.
3. Navigate to the **"Journey to Financial Freedom"** section.
4. Select **"Change It Up"**.
5. Choose which savings account or loan you'd like your Change It Up difference deposited into. Plus, add any additional dollar amount you'd like to round up (Additional Amount drop down). Any eligible checking accounts will be listed and available to enroll.
6. Review and accept the Terms and Conditions.
7. Select "Submit".

How To Enroll Online
