

## FAIRWINDS Business Banking Suite

Welcome to the FAIRWINDS Business Suite. Follow this step-by-step guide to get logged in quickly and easily:

### Sign into Business Banking Suite

- Visit **fairwinds.org** and select the **Log In** tab at the top of the screen, then select the **Business** tab.
- Log in to your account using the Login ID you chose when completing the login form, along with your temporary password. It is the first three letters of your birth month and your four-digit birth year, followed by an exclamation point. Example: Jan2001! *Please note your temporary password will expire in 7 days.*
- To enhance security, you'll be prompted to register your browser with a verification code before accessing your account. Simply follow the on-screen instructions to have this code sent to you by phone, email or text message.
- Change your password from the one that's easy for you to remember and difficult for someone else to guess. Avoid using easily guessable information such as birthdays or common words. Instead, use a unique combination of letters, numbers, and special characters that is at least 16 characters long.

### Enroll in paperless statements

- Sign up for paperless statements by going to **Additional Services** then select **Statements**.

### Activate Business Insights

- From your dashboard, choose **Business Insights**, then select **Connect Accounting**.
- Select QuickBooks® Online, Xero, or FreshBooks to sync your data.
- Explore your new cash-flow forecasts, industry benchmarks, valuations, and set up alerts at no additional cost.

Please contact us at **(800) 443-6887** whenever you need assistance using the FAIRWINDS Business Suite.

### Download the all-in-one-app!

Turn any place into your office space with one app that does it all, giving you the freedom to seamlessly:

- Manage and approve payroll while grabbing lunch.
- Deposit checks without driving to a branch.
- Review balance and account history at the airport.
- Update authorized users from your favorite golf course.
- Instantly lock or unlock an employee's credit card—all from your phone.
- Get paid faster with digital invoicing and payments – Powered by Autobooks.

Available on [iOS](#) and [Android](#) devices
