

3 months' insurance!

3 months' insurance

In cooperation with Kvdcars we offer a 3-month insurance. This gives you extra security when collecting your new car. You can tailor the insurance to your needs, choosing the options that best suit you, and you also receive a 20 % discount on the premium!

What happens after 3 months?

After around 2 months you will receive a renewal offer from us. If all the information in the insurance letter matches your needs, you can simply wait and the insurance will be renewed for 12 months.

Advantages of Moderna's car insurance:

- No excess when repairing glass damage
- Traffic accidents and emergency help included both in full and half insurance.
- Loss damage waiver in the event of animal collision if you have full insurance
- Up to 20 % discount if you gather all your insurance

We naturally hope that you will be happy with your choice of insurance and remain one of our customers.

If you have questions about car insurance you are always welcome to contact us on 0200 - 259 259.
