

2026-2027

Children's Nebraska School Health Learning Collaborative

EMPOWERING NEBRASKA SCHOOLS THROUGH EXPERT SUPPORT & CONNECTION

Children's Nebraska invites you to be part of our School Health Learning Collaborative— a dynamic program designed to support school health teams all year long.

Through interactive sessions led by Children's experts, you'll gain practical tools, training and resources to confidently manage the physical and behavioral health needs of your students and staff.

While the program is designed with school nurses in mind, all school health team members— including administrators and support staff — are encouraged to participate!

Sessions occur on the 2nd Wednesday of each month from 3:30-4:30 pm CST

Sign up to attend the virtual sessions **HERE** or scan the QR code

CONTINUING EDUCATION CREDITS

1.00 contact hour awarded to participants who meet all successful completion requirements. Successful Completion Requirements: Participants must attend 100% of a session, and complete course evaluation/attestation to receive contact hour and completion certificate. No partial credit given. Children's Nebraska is approved as a provider of nursing continuing professional development by VTL Center for Professional Development, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
