

### Notice of Radio Module Certification

Recipient: Sierra Wireless

Date: August 14, 2013

This letter will serve as official notification that the following Module meets the Verizon Wireless Radio Module Test Compliance Requirements and is acceptable for use on the Verizon Wireless Network until the noted Expiration Date in accordance with the terms and conditions of the Verizon Radio Module Testing and Certification Agreement.

Verizon does not express or imply any judgment regarding any feature or the performance of the Module except as described in the Unified Module Process for Compliance Testing and Certification, as updated from time to time.

Manufacturer	Sierra Wireless
Supplier	Sierra Wireless
Module Model	SL5011
Hardware Version	10
Software Version	p3911301
Feature Limitations	1X, EVDO rev A
Certification Date	8/14/2013
Expiration Date	8/13/2016
Certification Number	VZCPEL41500-18

Any modifications to the Module must be submitted for review by the Verizon CPE Lab and re-certification prior to use on the Verizon Wireless Network.

The Certification Period is three (3) years, ending on the above Expiration Date. This Module must be recertified prior to the Expiration Date in order to maintain its Certification status without interruption.

#### DISCLAIMER

Certification of a Module for use on the Verizon Network does not mean that Verizon Wireless has made any determination as to the call quality or other functionality provided by the Certified Module. The Manufacturer of any Module assumes all risks related to the use of the Module on the Verizon Wireless Network. Verizon Wireless does not guarantee or warrant the availability of its Network or the compatibility of its Network with any device, service or product incorporating the Module. Verizon Wireless disclaims liability for any damages or losses of any nature whatsoever whether direct, indirect, special or consequential resulting from the use of or reliance on any information contained or referenced herein.
