

NATIONAL FORESTS WEEK SCAVENGER HUNT

Calling all Cabela's outfitters, friends and family!

Our forests are beautiful—so be gentle as you walk through them. If you are collecting any of the items below, make sure that they have already fallen on the ground. For those items that are not on the ground, just observe and check off that you've found them. Make sure to stick on pathways and let the searching begin!

Orange leaf

Acorn

Pinecone

Feather

Mushroom

Squirrel

Branch

Seed

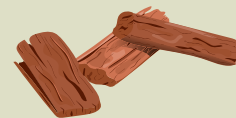

Moss

Rock

Green leaf
